

**MONEY SAVERS FOR WISE SHOPPERS**

# OUR ANNUAL STOCK-TAKING SALE

**Commencing Tuesday, January 2nd**

When we will open our store with a fitting send off to the new business year. This great economy event is eagerly watched for by hundreds and this year's values are even more attractive than ever. Every department will offer something at such savings that wise shoppers will hasten to supply their wardrobe, if not for immediate use, for future.

At the commencement of each year we hold a house cleaning sale--a sale inaugurated for the purpose of sweeping out of the house every winter garment of every nature.

## Wearables of Every Sort for Men, Boys and Children, Ladies and Misses

It's good business on our part to do so, far better than to carry the stock over another season. The end of our selling time on winter goods is in sight--the end of the wearing season is three or four months away.
