Before a drug store is selected as the REXALL STORE a representative of the United Drug Company personally visits the city and makes a careful investigation and the leading pharmacy is chosen. Reliability, popularity and progressiveness are some of the qualifications required of a REXALL STORE. The REXALL representative found that the LOCKHART-PARSONS DRUG CO.—“THE BUSY CORNER” filled these requirements and it was designated as the Marshfield depot for the distribution of these famous preparations. The REXALL REMEDIES are the strongest line of guaranteed preparations ever offered the people of Coos County. Every article sold is warranted to afford relief or to be the highest grade and if you are not satisfied your money is refunded.
