**GILBERTSON**—To Mr. and Mrs. Geo. N. Gilbertson at their home in South Marshfield, an eight and one-quarter pound son. Mother and child are doing nicely and the father, who is connected with the Ekblad & Son Hardware Co., is even prouder than was W. N. Ekblad over the arrival of his first son a few weeks ago.

**Will Move Here**—A. S. Hammond is arranging to move his family here from Coquille. He will personally take charge of the abstract and law office which his firm will operate here in conjunction with the business at Coquille.

**Give Dance**—The Socialist party will give a social and dance in the Finnish hall this evening. A short program of music, song and speeches will precede a basket social, and the evening will close with dancing. Refreshments will be served.

**Return Guns**—The Coos Bay Divisions of the Oregon Naval Militia today returned most of their old guns to Portland and will get new style weapons in place of them. Fifteen of the guns sent here cannot be located and Lieut. Straw is making a strenuous effort to get trace of them.

**Brings Prisoner**—Sheriff Gage returned via Gardiner today. He had with him M. L. Sill, who was arrested in Portland where he was tending bar in a saloon, for a statutory offense, the complainant being a Curry county girl. Sill was formerly in Grants Pass and spent part of the summer in Curry county. Sheriff Gage brought him down as a courtesy to the Curry county officers.

**Voted Members**—The Marshfield Chamber of Commerce last evening adopted a resolution providing that all ministers and newspapermen of the Bay should be accorded all rights of members of that organization without being required to pay the customary dues. The action was taken on Hugh McLain's motion, it being explained that the ministers and newspapermen did free and voluntary service more than sufficient to offset the current dues.

**Hunter Shot**—Harry Swarthout, who travels for the Union Oil Supply company in this section was slightly injured while hunting at Ten Mile today. He and John Herron were in one boat and Mr. Schroeder and Bobbie Wilson were in another. Wilson got a little excited and fired three shots out of the load, striking Swarthout in the face. The distance was so great that they merely penetrated the skin. Swarthout is a brother of Goldie Bestcott who is under arrest here for the murder of Chas. Murray.

**Case Dropped**—C. R. Peck today received word that John M. Gearin, attorney for the plaintiff in the case of Hale vs. the Port of Coos Bay commission, which was recently decided in the federal court at Portland in favor of the defendants, had filed notice that it would not be appealed. In notifying Mr. Peck, Mr. Gearin writes, "This closes the incident and you may proceed to organize your port and do things," a sentiment which is more than appreciated by the people of Coos Bay.

## LOGGER IN TROUBLE.

Bert Johnson, a logger employed at Camp 2 on the bay side, was arrested Wednesday on a statutory charge and brought to this city by Deputy Sheriff Kelley. The crime for which Johnson was arrested is alleged to have been committed upon the person of a young married woman whose husband also works at the camp. It is alleged that Johnson was just recovering from a debauch of several days duration and that he was not working for this reason. He is said to have been loafing around the camp Monday and it was on the afternoon of that day that the crime is alleged to have been committed. His preliminary hearing is set for Saturday morning before Justice E. G. D. Holden.—Coquille Sentinel.

## ALONG THE WATERFRONT.

The Alliance, according to reports received today by Agent McGeorge, will reach here late this afternoon and will probably sail tomorrow for Eureka.

The Redondo is scheduled to sail from San Francisco next Tuesday for Coos Bay. She has been on dry dock.

The Nann Smith sailed today for Bay Point with a cargo of lumber from the Smith mill.

The M. F. Dollar, it is expected, will complete her cargo so that she can sail from here Monday.

Reports from the Cape Arago lighthouse this afternoon indicated that it was growing very rough outside. A number of vessels were sighted off the bar, one of them being the Alliance. It was apparently doubtful whether she would be able to cross in tonight.

# DO YOU TAKE COLD?

If so, you had better get acquainted with B. & S. Cold and Rheumatism Capsules. They not only cure a cold or Grippe, but do it quickly. Results show after the first dose—because instead of compressing our drugs into hard tablets that sometimes take an hour to two to dissolve in the stomach, we put the medicine in soluble capsules so that it takes effect immediately on entering the stomach. Try a box—they do the work "quicker than you can say Jack Robinson."
