LOCAL NOTES

COOS BAY TIDES.

Bel.w is given the time and height of high and low water at Marshfield.

The tides are placed in the order of occurrence, with their times on the first line and heights on the second line of each day; a comparison of consecutive heights will indicate whether it is high or low water. For high water on bar, subtract 2 hours 34 minutes.

THE WEATHER.
(By Associated Press.)
OREGON—Fair tonight and colder in east. Saturday fair with easterly winds.

Milk Scarce—The Coos Bay Condensary has closed down for a month, owing to shortage of milk.

New Boat—Jack Lapp has a new speed boat, the Kid III. The hull was built by Matson and Erickson of Catching Inlet and the engines are those he formerly had in the Kid II.

Meet Saturday—The regular meeting of the W. C. T. U. will be held tomorrow afternoon at 3 o'clock at the home of Mrs. Fannie Wheeler on Third street South.

Is Seventy-One—Chas. Sneddon, the well-known Marshfield pioneer, is today celebrating his seventy-first birthday. He was the recipient of congratulations from his many friends who were aware of the anniversary.

Play Bandon—The Marshfield High School basketball team left this morning for Bandon, where they will play the Bandon High School team this evening. The team is rather crippled, three of the regular players being unable to go. Chauncey Clarke had to remain in order to catch the Breakwater for Portland tomorrow. Guy Stutsman was sick and Isaacson was unable to go. Henry Lecocq, Geo. Johnson and Wesley Seaman went as substitute players.
