to Marshfield, so as to enable him to spend more time with them each trip of the Breakwater.

Plan Bouts—Jack Lichenback, of Klamath Falls, is expected here soon for a 20-round bout with Jess Day, the go being arraigned by Louis Fressler. Willie Gaffney and Billy Wilson are to be matched for the preliminary.

Buy's Ranches—According to a report from Grants Pass, E. W. Wright of Portland who bought considerable property on Coos Bay last summer, is buying property in that vicinity. He is reputed to have bought 600 acres of ranch land near Kerby.

Wed Valentine's Day—The Portland Telegram says: "Miss Helen Doble has decided upon St. Valentine's day, Wednesday, February 14, as the date for her marriage to Claud Nashburg, of Coos Bay. The wedding will be a small affair, solemnized in the presence of a few friends at noon, in St. Mark's Church."

Prospect at Henryville—Supt. T. C. Russell of the Beaver Hill mines was in Marshfield today on business. He is arranging to prospect the old Henryville field with a diamond drill to ascertain if it would pay to open a new shaft there. The old Henryville mine has been closed for many years. He is centering his energies at Beaver Hill on development work, taking out merely enough coal for the company's needs.

To Locate Here—H. S. Poppelbaum and R. Krompanga arrived here today from Watonga, Okla., to look this section over with a view of locating here and also to arrange for friends and relatives to come here if conditions are found satisfactory. They had a letter of introduction from former Governor Ferguson of Oklahoma to Wm. Grimes. Mr. Poppelbaum has been in a bank at Watonga but he and his cousin wish to locate on a ranch for a few years at least.

Drill for Oil—The Coos Bay Oil & Gas Company, which was recently organized to sink a well on Catching Inlet to determine whether or not there is oil in this vicinity, is now planning to go ahead with the work. Mr. Maupin, the promoter of the company, and Herman Larson, expected to leave soon for San Francisco to purchase machinery for drilling the well. The initial hole is to be 16 inches in diameter and to a depth of about 2500 feet. The exact location of the well has not been determined yet.
