SAY TAFT WILL BE NOMINATED IN CHICAGO ON FIRST BALLOT

WILL ABDICATE BY TOMORROW

Chinese Situation Looks Like An Early and Successful Settlement.

SHANGHAI, Feb. 9.—Tang Shao Yi, representative of Premier Yuan Shi Kai, today declared he was confident the abdication of the throne will be an accomplished fact before February 10. There appears to be less confidence now than there hitherto has been that Yuan Shi Kai will be selected for the presidency of the republic. On the other hand the name of General Li Yuen Heng, the present vice-president, is mentioned and possibly may eventually be selected.

"JACK" YALE IS STRICKEN

Well Known Pioneer Traveling Salesman Passes Away in San Francisco.

"Jack Yale is dead!" That is the news that yesterday reached Coos Bay friends of the pioneer traveling salesman of this section. The passing of Jack Yale at his home in San Francisco may not mean much to the new generation, but it caused a flood of memories to sweep over the old-timers and many reminiscences were indulged.

Jack Yale was one of the best-known of the early missionaries of commerce to visit Coos Bay. He represented the firm of Levi, Strauss & Co. and continued with them as long as he remained on the road and when he retired he was pensioned by the firm as a reward for his services.

Years ago every man, woman and child on Coos Bay knew Jack Yale and none knew him but to love him. "He was one of the most generous-hearted men I ever knew," was the comment of more than one of the pioneers when they heard of his passing. Dave Holden related that when "Jack Yale first came from the East he applied for a position with Levi, Strauss & Co. and when asked for references gave the name of the eastern concern that formerly employed him. Their reply was that he was one of the best salesmen in the country and also one of the most expensive. Jack achieved the same reputation on the Pacific Coast, but he sold enough goods to warrant his big expense account. Henry Sengstacken recalled today that he had given him one order amounting to more than \$5,000. As near as the memory of old-timers can determine, Jack Yale first came to Coos Bay about 1876 and for more than a score of years his visits were important events in the then pioneer community.

Chairman Congressional Campaign Committee Issues First Announcement.

TAFT WILL HAVE 780 VOTES ON FIRST BALLOT

Figures Reached After a Careful Canvass of the Entire Country.

WASHINGTON, Feb. 9.—President Taft will have 780 votes out of a total of 1076 on the first ballot in the Chicago convention, or 241 more than the majority necessary for nomination, according to Representative William M. McKinley, of Illinois, C. D. Hiles, secretary to the President and Secretary Murray Crane, of Massachusetts. The three held a conference today which practically was the opening of President Taft's campaign. The figures were reached after a careful canvass of the country, it was said.

Active work for the renomination and re-election of President Taft aside from that done at the White House, began here today when Representative William B. McKinley, of Illinois, chairman of the Republican Congressional campaign committee, took up his new duties as manager of the Taft campaign.

COQUILLE IS CONQUEROR

High School Team From the Valley Defeats Marshfield Last Night.

Marshfield again met defeat at the hands of the Coquille High School at the High School gymnasium last night by a score of 26 to 13. The game was fast and furious throughout, neither side displaying any great amount of team work, Coquille winning more from the good basket throwing of her forward than from superior team play.

Neither side had much advantage at the start and no baskets were thrown for several minutes after play started. Coquille finally got a basket and from then on outplayed the local boys, the score at the end of the first half being 15 to 1 in their favor. The Marshfield boys seemed to be dazed and half asleep and were unable to get their team work started.

In the second half Marshfield woke up and shot two baskets before Coquille got started. From then on Marshfield out-played the visitors on team work, using a low underhand pass back and forth across the floor that Coquille seemed unable to break up. They also excelled at dribbling on some occasions, taking the ball the length of the floor in this manner. Marshfield's weak point seemed to be in basket shooting. Taking it all in all they were out-played and the best team won. The score at the end of the game was 26 to 13 in favor of Coquille.

An exact summary of the game could not be obtained. The line-up was as follows: Marshfield. Position. Coquille. S. Clarke . . . . . C. . . . . Custer Pitman . . . . . R. F. . . . . Gerding Isaacson . . . . . L. F. . . . . Hodgins Stutsman . . . . . L. G. . . . . Knowlton Johnson . . . . . R. G. . . . . Miller For Marshfield Pitman got three baskets and Clarke two. Clarke also awarded two points. Coquille was awarded two points.

TEST HIM OUT. Detective Stenographer is Made to Prove Ability.

WASHINGTON, Feb. 9.—The Senator Lorimer committee in executive session today met J. E. Sheridan, a detective stenographer who has figured in the charges of the alleged perjury of Charles McGowan, a Hines-Lorimer witness, to a test of his ability to reconstruct conversations over an electric apparatus concealed from the speaker. The test was a long one. The result may be announced later.
