If this examination is satisfactory he will return to Eugene to continue his studies. If not satisfactory he will join his father and mother when they return to San Francisco.

Kinney Property Involved—Power of attorney granted W. J. Rust as trustee for the Kinney property is being attempted to be revoked by papers filed by Mr. Kollock withdrawing this right. It is alleged that the original papers were too broad as they included all his property in Coos county instead of only those where he was interested as trustee for Kinney.

Locate Here—A. E. Johnson, traveling representative of the large wholesale furniture firm of F. S. Harmon & Co., has been so favorably impressed with Coos Bay as a distributing center and the trade conditions here that he has decided to make Marshfield his headquarters for Southwest Oregon. He is perfecting arrangements to make his home in this city and expects Mrs. Johnson from Portland to join him about March 1.

Baby Dies—A boy born to Mr. and Mrs. W. L. Marks yesterday died soon afterwards. Mr. and Mrs. Marks have the sympathy of all in their loss. The burial took place this noon with a short prayer service at the grave by Rev. Geselbracht, Albany Democrat.

Mrs. Marks is a daughter of Mrs. Flouella Turner of the Myers store and her many friends will learn with regret of her bereavement. Mrs. Turner is now at her daughter's home in Albany.
