

DAY WINS BY A KNOCKOUT

Easy Victor Over Jack Linkenbach of Klamath Falls Here Saturday Night.

Jess Day was an easy victor over Jack Linkenbach Saturday night. The intended 20-round contest ended in the sixth round when Day knocked out his man with a stiff right on the chin. Referee Howard counted him out and assisted him to his corner and the bout was ended after a little parley between the referee and the seconds of the defeated man, the latter claiming that Linkenbach was counted out too soon. This question was quickly settled, however, the circumstances plainly placing the referee in the right.

Jess Day was the victor throughout, his opponent at no time having a show to win. The affair was a bloody one, the Klamath Falls boy bleeding profusely from nose and mouth and from a bad gash under the left eye. But the opinion is that it was the body punches that finished him, till he was completely at the mercy of his opponent.

The preliminary, an interesting 8-round go between Sing Hosan and Kid White from Mentana, was perhaps even more surprising, the little Chinaman winning a good draw over the imported man. Except in the fifth and eighth rounds Sing had much the best of the bout and was a winner if the go had been decided strictly on points. Except for a little blood drawn from the Chinaman's nose, this was a bloodless affair.

It became evident that some real fighters will have to be brought in here to beat the surprisingly clever Hosan, and also Day, who shows up exceptional ability in the style of fighting followed here at present.

Fight by Rounds.

Round 1: Men shook hands. Spurred cautiously. Day leads with left for face. Lands lightly. They clinch. In the clinch Day lands several times on Link's heart. Link lands several light ones to head. Round even.

Round 2: Day lands stiff left to face bringing the claret. They clinch. Day lands to body a half dozen times. Link is kept busy trying to cover. They break and Link lands on head as they come together. Day lands two good punches over the heart. Day has shade.

Round 3: They mix from the sound of gong. Both land good ones in the clinch that followed. Link tries hard for a time with rights, while Day keeps busy on the body. Link does not seem to be able to protect the body. Day does not wait after the clinch but immediately bores in with hard rights to body. Day's round.

Round 4: The men spar for a moment. Link lands light right to head. They clinch. Day out fights Link in the clinch. As the referee breaks them Link's seconds caution him to keep away. He tries this and they mix lively for a time with rights and lefts to the head. Day lands stiff left on Link's eye. As the gong sounds Link does not hear it and tries to keep on boxing. Day's round by big margin.

Round 5: Both men seem strong at beginning. They spar for a moment and clinch. Link kept trying for head. Day showers blows to body. At the break they mix lively for a time. He is very strong. Link seems to weaken from body blows. His eye is puffed. He is game. Day beats him here in long distance boxing. Day's round.

Round 6: Day is fresh. He bores in with great rapidity. Link breaks ground and covers up. Link comes out and rushes Day. They mix in a lively manner. Day has best of mixing. In the long distance boxing after they break Link seems weak and Day out points him. Again they clinch and Day tears in with fast blows to body. Suddenly he shoots stiff right upper-cut to point of chin. Link goes to floor on hands and knees. The referee counts him out. The men shake hands after Link realizes he has been counted out.

Earl Chisholm, of Coquille, was introduced as the man who will fight Jess Day on March 16 in this city. "Billy" Wilson challenged Sing Hosan, and the two will meet in a 10-round bout as a preliminary to the fight on the night of the Day-Chisholm contest.

A pretty good crowd witnessed the fight and a flashlight picture was taken of the arena and the crowd just before the main event.

COQUILLE FIREMEN ELECT

A meeting of the Volunteer Fire Department was held for the election of officers for the ensuing year. The present officers were re-elected: S. M. Noster, chief; R. R. Watson, secretary; W. H. Lyons, treasurer; W. C. Laird, captain of house No. 1; W. C. Chase, captain of house No. 2; George E. Peoples, chief of hose and ladder.

A committee was appointed to arrange for securing a hall for next month at least to be used as a gymnasium—George E. Peoples, R. R. Watson, O. Knowlton, Walter Oerding, Eugene Wickham.

It was decided that practice would be held twice a month and those who attended practice regularly would be given a supper once a month to be provided by the City Council, if approved by them.—Coquille Sentinel.

PRESTON JONES returned today via Bandon from a few weeks' visit with friends at San Francisco and Stanford University.

SUOMI HOLDS FINE MEETING

Celebration of Eighteenth Annual Festival Saturday Night Very Enjoyable.

The Suomi Society of Marshfield celebrated its 18th annual festival in Finnish Hall last Saturday evening. Despite the rain the hall was crowded to its capacity with members and their families, the celebration this time being a private affair. Over 300 people were present.

A short program, including reading of the annual report by Alex. Johnson, speeches by John Anderson of North Bend and C. J. Hillstrom of Marshfield, and a couple of selections by the band, preceded the informal reception and social. This was followed by a sumptuous banquet. The dance continued until morning.

The launch Wab-Ta-Waso of Catching Inlet made a second trip into Marshfield in the evening to accommodate outsiders who attended the festival, and the same vessel brought home the Coos river and Catching Inlet visitors early Sunday morning.

The festival was a most enjoyable one, and one of the best attended ever given by the society. The Suomi Society is making very rapid gains of late. "The Knights of Finland," a local society of similar aim organized among the Swedish-Finnish population, was recently consolidated with the Suomi Society, the two assuming the latter's name. The Finnish Hall was built and originally owned by "The Knights of Finland," and this very valuable property has by the consolidation reverted to the Suomi Society, which is strong both financially and as a great factor socially and for self-help among people of its nationality.

BROWN TO GET OFFICE AGAIN

Prosecuting Attorney Decides to be Candidate for Re-election.

Deputy District Attorney Liljeqvist is in receipt of a letter from George Brown stating that it is his intention to be a candidate for the office of district attorney at the coming election. Mr. Brown has been district attorney for Coos, Curry and Douglas Counties continuously for 16 years, and there seems to be but little doubt that he will be elected for another term of four years.

It was Mr. Liljeqvist's intention to offer himself as a candidate for the office in case Mr. Brown did not seek re-election, but now that he has decided to run Mr. Liljeqvist says he would not even entertain the thought of running in opposition to him.—Coquille Sentinel.

JACKSON MAY RUN

The Roseburg News says: "It is intimated by friends of Hon. C. S. Jackson, ex-Representative of the Twenty-fourth Legislative Assembly of the State of Oregon, that he may allow his name to go before the people of Douglas, Coos and Curry Counties as a candidate for prosecuting attorney. His friends say that there is some sentiment for a change in that office."

CRAWFORD FOR GOVERNOR

Former Coos Bay Man Expected to be a Candidate.

SALEM, Or., Feb. 12.—From a source apparently authentic in every way, it was learned here that Attorney General Crawford has aspirations to become Governor of the State, and that it is probable that he will become a candidate two years hence.

When questioned with relation to the subject, the Attorney General would neither affirm nor deny that he would become a candidate. He made it plain, however, that he would not be a candidate again for Attorney General, and adroitly turned the conversation from the Governorship to plans of engaging in the law business with his son at Portland.

Rusk Out for Congress

Adopting as his campaign slogan "For Roosevelt and Progress, and Against Taft and Standpatism," John P. Rusk, of La Grande, Speaker of the House of Representatives at the last session of the Legislature, filed with the Secretary of State his declaration of intention to become a candidate at the primaries for Congress from the Second Congressional District. If elected, he says, he will support the efforts of Roosevelt, La Follette, Cummins and other progressive leaders. He declares in favor of Roosevelt for President, and says if Roosevelt will not accept the nomination that he will support some other fighting progressive.

TO RUN FOR SENATOR

O. P. Coshov of Roseburg Has Aspirations for Toga.

The Roseburg Review says: Within a few days Hon. O. P. Coshov, of this city, will formally announce his candidacy for the Democratic nomination for United States Senator, to succeed Senator Jonathan Bourne, Republican. Mr. Coshov is well and favorably known throughout the state, having represented Douglas County in the State Senate during two sessions of that body. Others seeking the Democratic nomination for United States Senator are Hon. Milton A. Miller, of Lebanon, and Hon. Walter Pierce, of Hot Lake, Union County, both also former members of the State Senate. The opinion seems to prevail that Senator Bourne will probably be renominated to succeed himself, and if so Mr. Coshov will very likely defeat him at the general election in November. In that case Oregon will be assured of a live, active member in the upper House of Congress.

DELAYS PORT ELECTION

Port of Umpqua Proposition Continued Until July Term of Court.

The Roseburg News says: "The County Court adjourned at noon Friday, after a brief session. The matter of setting an elective date for the proposed Port of Umpqua was continued until the July term of court when it will receive due consideration."

Home Permanency vs. Home Monotony

This is a vital question for present day homebuilders—whether to have a house which in appearance must always remain the same or a house that will permit of a little refreshing occasionally. Neighborhoods change as do individual tastes—a frame house can easily be made to harmonize with its surroundings—a fresh coat of paint often will make it as good as your neighbor's new house—the same as a new suit makes you feel like a new man. At any rate a frame house is susceptible to most any change you might desire and while it is permanent it does not necessarily need become an eyesore or a monotony. There are lots of things we've observed about houses and lumber that you should know before building—come in and we'll give you our views.
