UNITED STATES TROOPS SENT TO GUARD MEXICAN BORDER

Larger Force Stationed at El Paso to Enforce Neutrality Laws.

REBELS STILL HOLD COUNTRY NEAR JUAREZ

Report From Torreon That a Large District There is in Open Rebellion.

(By Associated Press to Coos Bay Times.)

EL PASO, Texas, Feb. 13.—A battalion of the Eighteenth infantry, accompanied by a machine gun platoon, arrived from Fort Bliss today from Whipple barracks arsenal to relieve the Fourth Cavalry so that the cavalry can assume border guard duty in enforcing neutrality laws.

The rebels still hold the country west of Chihuahua and south of Juarez, but appear inactive aside from raiding ranches to replenish their supply of horses, food and ammunition.

From the vicinity of Torreon comes news that the whole country is in arms against the existing government and that there are far more rebels in arms than there are troops to give protection.

AROUSES GERMAN IRE.

Reported Murder of Kaiser's Subject in Mexico Causes Stir.

(By Associated Press to Coos Bay Times.)

BERLIN, Feb. 13.—The reported murder of E. Hans Angeman, a German ranch owner, at El Porvenir, Mexico, attracted much attention in a newspaper here to the conditions in Mexico. The general impression is that the United States will be forced ultimately to interfere in that country.

FOUND DEAD; SON IS MISSING

A BROCKMAN, RETIRED DEALER IN LOGGERS' SUPPLIES AT SEATTLE, DISCOVERED DROWNED AT SAN FRANCISCO.

(By Associated Press to Coos Bay Times.)

SAN FRANCISCO, Feb. 12.—The body of A. Brockman of Seattle was recovered from the bay today. He was recognized as a passenger on the steamer Watson, which arrived here last week from Seattle.

SEATTLE, Feb. 12.—A Brockman was a retired dealer in loggers' supplies and went to San Francisco with his son, A. Brockman, Jr., last week, leaving Mrs. Brockman, wife of the dead man, here. She has heard nothing concerning the death of her husband further than the Associated Press dispatch. It is thought young Brockman must have met with ill-fortune or else he would have notified his mother that his father was missing.

YOUTH IS MURDERED.

Idaho Boy Kills Another in Row Saturday Night.

(By Associated Press to Coos Bay Times.)

HARRISON, Idaho, Feb. 12.—E. H. Black, aged 15, is charged with fatally stabbing William Whitely, aged 20, in a quarrel here Saturday night. He surrendered today. Whitely was stabbed five times and died Sunday. Black declared he would plead self-defense.

GIVEN NEW TRIAL

By Associated Press to the Coos Bay Times.

NEW YORK, Feb. 13.—Folke E. Brandt, former valet of Mortimer L. Felt, sentenced to 30 years for burglary, was granted a new trial today by Judge Rosalsky, who sentenced him originally. He has served about five years of his sentence.

TO DRESS LIKE AMERICANS

President of Chinese Republic Instructs Diplomats in the United States.

(By Associated Press to Coos Bay Times.)

SAN FRANCISCO, Feb. 13.—Officials of the Chinese Consular service in the United States have been ordered to adopt the American style of dress by an edict received here from President Sun Yat Sen of the new republic. The Consular officials are instructed to remain at their posts until their successors are appointed.

MANIFESTO IS ISSUED

Former Premier Calls Himself Organizer of New Government.

(By Associated Press to Coos Bay Times.)

PEKIN, Feb. 13.—A manifesto was issued this evening by Yuan Shi Kai in which the Premier assumed the title of "the fully empowered organizer of the republic." The manifesto politically commands officials of the army and police to continue their duties and maintain order.

PLAN STRIKE OF 800,000 MEN

Nearly Million Employes in Great Britain's Coal Mines Threaten Walkout.

(By Associated Press to Coos Bay Times.)

LONDON, Feb. 13.—A conference of representatives of 800,000 coal miners held here today confirmed the decision to bring about a national stoppage of work in the coal mines February 29 unless, in the meantime the mine owners accept the principle of minimum wage for all men and boys employed underground.

BULKHEAD TO BE BUILT NOW

North Front Street Property Owners to Do Work By Private Contract.

The property owners on North Front street have finally decided to go ahead and put in the proposed bulkhead by private contract instead of requiring the city to do it. This was announced last evening at the meeting of the Council by Henry Sengstacken, who said that practically all had agreed to it except the Webster estate and he hoped they would soon. He said the Port Commission had taken the matter up and had asked for bids to be opened February 16.

C. F. McKnight and Mr. Sengstacken both informed the Council that they did not want the Council to drop the matter until it was absolutely certain that the property owners were going to go ahead with the improvement by private contract. If they do not, the Council can force the improvement through, although the cost will be nearly double what it will be if the work is done by private contract.

In consequence, the Council met as a board of equalization on the matter last night but adjourned until February 19 without taking any action.

To Change Ordinance

City Attorney Goss was instructed to draft an amendment to the building ordinance whereby property owners within the fire limits can move buildings on the same lot providing that the change in the location does not increase the fire hazard. This action grew out of the several applications of Henry Sengstacken for a permit to move a building near the corner of Third and Market. City Building Inspector Tribbey brought up last evening.

Wants New Proposition

City Attorney Goss reported that Robert Madden, Sr., now wanted the Council to make him an offer for the water right which he claims to hold on the city park property. The matter was referred to the finance committee.

CAMPAIGN FOR BETTER ROADS

Coos Bay Men Take Up Plan Proposed By Gov. West's Commission.

J. C. Kendall and a number of other Marshfield men are taking up the Good Roads bill which was proposed by the special committee appointed by Governor West and will endeavor to secure favorable action on it in this locality. It will probably be presented to the Marshfield Chamber of Commerce at an early meeting for their consideration.

The bill, which it is planned to submit under the initiative at the next general election, provides for amending the constitution of the State of Oregon to permit a \$20,000,000 bond issue. The proceeds of this issue are to be expended in building permanent roads throughout the state. The plan is to place the work under the direction of experts. The state is to defray one-half of the expense of the roads and the counties the other half.

The general plan provided by the bill is in accord with the latest ideas along this line suggested by commissions in other states that have thoroughly investigated the good roads problem.

ASK ROOSEVELT IF HE WILL RUN

Strenuous One Has Not Answered Letters From Eight Governors Yet.

(By Associated Press to Coos Bay Times.)

NEW YORK, Feb. 13.—Colonel Roosevelt has received letters from eight Governors sent after a conference in Chicago asking him if he will accept the Presidential nomination but he has not yet framed an answer to it.

"I have received a letter from the eight powers sent me from Chicago," said Roosevelt today, "and am giving it my careful consideration. I shall reply to it within a short time, probably within a week. Until that time I can say nothing on the subject."

MANY RUMORS ARE STARTED

North Bend Experiencing a Little Boom as Result of Reports.

After a dearth of railroad news for a few days, a fine bunch of rumors were afloat today, especially in North Bend. Most of the rumors in North Bend hinge on the telegram from L. J. Simpson to L. F. Falkenstein instructing him to take the Simpson town property off the market. Many are inclined to believe that Mr. Simpson has received some important railroad news and is now holding their property for the big boom. On the strength of this belief, there is said to be unusual activity in North Bend real estate. Many of those negotiating for it are said to be Marshfield men.

Capt. Edgar Simpson, who returned yesterday from San Francisco, has little or nothing to say as to the cause of Mr. Simpson's action.

Some who are not so enthusiastic over the situation claim that the taking of the town property off the market is merely in compliance with the decision reached by the Simpson company some time ago to increase the valuations on their town lots. It is claimed by these that as soon as the valuations are readjusted and raised, the property will again be put on the market.

The Southern Pacific right of way agents are still buying property there to connect up with the proposed route of the Terminal Railway, as was announced in The Times several days ago. This, together with the report that condemnation proceedings have been instituted against R. C. Cordes and the other owners of the property at Dynamite, just above Sand Point, is enthralling a number.

FIRST ARREST MADE UNDER INDICTMENTS AT INDIANAPOLIS

MANY DRUGS ON FREE LIST

Democrats Draft New Chemical Tariff Revision Measure—Increase Income.

(By Associated Press to Coos Bay Times.)

WASHINGTON, Feb. 13.—The chemical tariff revision bill, prepared by the Democratic members of the Ways and Means committee of the house was made public today. It puts the following articles on the free list: Acids, sulphate of copper, borax, charcoal and bone black, coal tar and some of its products, sulphate of iron, Paris green, London purple, phosphorus, sheep dip, sulphate of soda, strychnine, sulphur in all forms, talcum, all drugs such as barks, beans, berries, fruits, dried fibre roots and the like. According to the committee's estimates the bill would increase the government's revenue from the chemical tariff to more than sixteen millions in the next fiscal year, an increase of more than four millions.

LACKS FUNDS FOR MILITIA

Maneuvers for State Troops Handicapped—Plans for the Coming Year.

WASHINGTON, Feb. 13.—In interpretation of an allowance by congress of the war department's estimate of \$1,350,000 for the joint maneuvers next summer of the regular army and the organized militia, Brigadier-General Evans, chief of the Division of Militia Affairs, has just communicated with the adjutant general of California, Oregon, Washington, Idaho, Arizona, New Mexico and Utah definitely to ascertain the number and kind of troops each state will be able to furnish.

The small appropriation available for the transportation of the regular troops limits the number that can take part, but the War Department is hopeful that it can find a way later to increase the number, perhaps by asking the governors of the states mentioned to supplement the funds supplied by the national treasury.

On the Pacific coast the purpose is to establish two maneuver camps, one near San Francisco, the other in the Puget Sound region. The first mentioned camp will be manned by regulars from the Presidios of San Francisco and Monterey with the militia of California, Nevada, Utah, Arizona and possibly New Mexico, and the last will be supplied by regular troops from Vancouver Barracks, Boise Barracks, Forts George Wright and Lawton, reinforced by the National Guard of Oregon, Washington, Idaho and Montana. Both camps nominally will be commanded by Major General Arthur Murray, commanding the Pacific division, but each will be directly under the department commander, Brigadier General H. H. Brush, in California, and Brigadier General M. P. Maus in Washington; General Murray acting as chief umpire.

In each camp there will be two contending armies, each composed of a reinforced brigade, of both regulars and militia. The red army will act as defenders. The blue will represent a foreign force safely landed on the coast and seeking to penetrate the interior. The navy may take part, both offensively and defensively, with theoretical attacks on the sea coast fortifications.

The maneuvers will continue eight days, but are designed as camps of instruction for officers and men rather than as tests of endurance. Marches will be limited to 10 or 12 miles a day, and the main bodies will have ample rest at night. While reconnaissance is kept up for the approach of the enemy, brigade problems will be worked out. Then, as the force approaches, opportunity will be afforded to test the resourcefulness of subordinate officers in moving their commands through difficult country, each army commander being ignorant of the other's movements.

The Ladies of the Methodist Church will make Chicken Tamales Wednesday afternoon. Tamales will be on sale at the church kitchen after 4 o'clock.

SPRAY PUMPS at MILNER'S.

Clarence Dowd, Organizer of Machinists' Union, Arrested at Rochester.

IMPLICATED IN ALLEGED DYNAMITE CONSPIRACY

Claim That He Represented One of Organizations Aiding McNamaras.

(By Associated Press to Coos Bay Times.)

ROCHESTER, N. Y., Feb. 13.—Clarence Dowd of Mansfield, Ohio, alleged to have been implicated in the McNamara dynamite conspiracy, was arrested here today.

(By Associated Press to Coos Bay Times.)

INDIANAPOLIS, Ind., Feb. 13.—It is said that Clarence Dowd, arrested in Rochester, with C. E. Dowd, an organizer of the International Machinists' Union, that he represented one of the unions involved in the dynamite conspiracy.

READY FOR DARROW.

Date of Trial of McNamara Attorney to Be Set Tomorrow.

(By Associated Press to Coos Bay Times.)

LOS ANGELES, Feb. 13.—A conference between Assistant District Attorney Ford and Bert Franklin, the McNamara defense detective, charged with jury bribing, just one day before the setting for trial of the case of Clarence Darrow, again brought forth rumors today that Franklin will be the star witness for the state against Darrow, who is also accused of jury bribing.

ARRESTS ALL UNCERTAIN

Time of Taking Indicted Men Into Custody Still Uncertain.

(By Associated Press to the Coos Bay Times.)

INDIANAPOLIS, Ind., Feb. 13.—Whether arrests were to be made in the dynamite conspiracy cases today was said at District Attorney Miller's office at noon to be still uncertain. That all the plans for taking into custody the defendants now said to number more than 50 are completed and that it is merely a question of sending word by telegraph was admitted but when the action will be precipitated cannot be learned.

The sudden disappearance of some men believed to be named minor defendants in the dynamite conspiracy cases, was said to have caused delay in the government's plan to make arrests today and an announcement seemingly final came from the District Attorney's office that action will go over until tomorrow.

PENSION BILL IS CHANGED

SENATOR SMOOT'S SUBSTITUTE ADOPTED BECAUSE PLAN WILL COST GOVERNMENT LESS.

(By Associated Press to Coos Bay Times.)

WASHINGTON, Feb. 12.—The so-called "Dollar-a-day" pension bill was rejected today by the Senate committee on pensions and another measure which will increase the annual expenditure \$24,000,000 proposed as a substitute by Senator Smoot, of Utah, was adopted. Senators Brown of Nebraska and Curtis of Kansas gave notice that in the Senate they would press the Sherwood bill as a substitute for the Smoot bill.

Smoot's estimate of \$24,000,000 as the cost of his plan is based on the pension bureau's computation of age and length of service of veterans. The Sherwood bill, according to the pension bureau, would cost \$75,000,000 a year. Smoot's bill was adopted by a vote of 12 to 2 after the Sherwood bill was voted down 10 to 4 and embodies provisions to pension Civil War veterans 62 years old who served 90 days or more. Mexican War veterans would receive \$30 a month. Civil War veterans would be put on a graduated scale from \$13 a month for 90-day veterans, 62 years old to \$30 a month for veterans 75 years old who served three years or more.
