

PERSONAL NOTES

S. S. JEFFRIES' 5-year-old child is reported quite ill today.

MRS. WM. FARRIN, of Sumner, is a Marshfield shopper today.

MRS. E. C. DREWS is ill at their home in South Marshfield.

O. B. WALKER, of Gardiner, is looking after business interests here.

HILLIS SHORT is in from Ten Mile on business and pleasure.

J. D. GOSS has returned from a business trip to Coquille.

G. J. LEMANSKI returned today from a business trip to Portland.

MRS. FRED HANSEN of Sumner was a visitor in Marshfield today.

MRS. MACGENN of Empire, and daughters, are Marshfield visitors today.

G. A. BROWN returned via Portland today from a trip to California and other points.

C. R. PECK arrived home on the Breakwater today from a trip to Salem and Portland.

MRS. ANNIN and Mrs. Irwin of Myrtle Point are visiting the Marshfield schools today.

GEORGE THOMPSON returned on the Breakwater today from a few weeks' visit in Portland.

W. H. KENNEDY returned today from a business trip to Portland and other northern points.

J. ALBERT MATSON arrived home today on the Breakwater from a business trip to San Francisco and Portland.

MRS. R. H. OLSON, of Empire, is spending a few days here as the guest of Mrs. J. T. Hall in West Marshfield.

MRS. ARTHUR M. McKEOWN and son, Joey, leave Monday overland on a trip to San Francisco, where they will visit friends for a few weeks.

UNCLE JERRY HAYNES, a Coos Bay pioneer, returned to his home at Myrtle Point today after a few days' visit with his daughter, Mrs. Dick Noble, and other relatives of Marshfield.

P. M. HALL-LEWIS and wife and baby returned today from a visit at Corvallis, Hood River and other northern points. They will reside in Marshfield, Mr. Hall-Lewis having arranged to open an engineering and architectural office here.

F. J. DE NEVUE, a former resident of the Bay, arrived here today to visit his daughter, Mrs. Hillis Short, of Ten Mile, and his many friends here. He was connected with R. A. Graham here a number of years ago but has been residing in the east. He still has extensive property interests on the Bay.

A. J. MENDEL, of the Hub Clothing & Shoe company, returned today from an extended eastern buying trip. On his return to the coast, he was accompanied by his brother, Joseph Mendel, and they came via the Southern route, stopping at the principal points of interest. His brother expected to visit Coos Bay but was called home when they reached Portland.

T. J. NOLAN, of Omaha, who holds an option on the Coos Bay water company's plant, arrived here on the Breakwater today to look after the matter. It is expected that the City Council will take some action on it. It is understood that Mr. Nolan's option expires in about six weeks and he is anxious to make some sort of arrangements with the city before then.

CHRIS RASMUSSEN, of Bandon, was a Marshfield business visitor today. He reports everything flourishing there. He says that the reports about oil being discovered in the Bear Creek oil well are erroneous. He says they are now down about 2250 feet and the strong gas pressure and other indications lead them to believe that

oil will be struck before they reach 2500 feet. They expect to go down 3000 feet if necessary. The well to date has cost about \$25,000.

WM. CANDLIN, of Coquille, is transacting business here.

N. C. McLEOD, of North Bend, is a Marshfield business visitor today.

W. E. CRAINE, the Bandon lumberman, is in Marshfield on business.

MRS. C. E. BROADBENT, of Myrtle Point, is in Marshfield today.

DR. EDWARDS and wife, of Florence, are spending a few days in Marshfield.

C. R. PECK returned today from Portland, Salem and San Francisco, where he was looking after a case involving some of W. S. Chandler's property.

ALONG THE WATERFRONT

The Redondo will sail from San Francisco Sunday afternoon for Coos Bay.

The Alliance sailed last evening from Portland for Coos Bay and is due in here tomorrow.

The steamer M. F. Plant, formerly on the Coos Bay-San Francisco run but recently in the Alaska trade, is now undergoing extensive repairs at San Francisco. New boilers are being installed, doubling her steam pressure which it is expected will increase her speed three or four knots per hour.

NORTH BEND NEWS

The medal contest will be held at the Lutheran church Tuesday, Feb. 20.

The Episcopal Ladies' Altar Guild will hold a cake sale tomorrow at the Coos Bay grocery.

R. J. Coke has sold his 160-acre ranch at McKinley to eastern parties for \$6000.

Alpha Wicklund, who has been visiting relatives in Empire for the past week, returned today.

Mrs. Laura Houser and Mrs. W. Haskell and little daughter, Miss Grace, of Oakland, have been visiting this week at the Herman Sanford home at Sumner.

The Mothers' and Teachers' Club will meet this afternoon at the Central school at 3:00 o'clock. Mrs. Herbert Armstrong will give a talk on "Social Hygiene."

V. E. Watters has received word of the birth of a nine-pound girl to his daughter, Mrs. C. W. Johnson, of Oregon City. Mrs. Watters was at the home of her daughter at the time of the advent of the little stranger.

While at Ten Mile recently, Mrs. Geo. S. Hollister had a narrow escape from drowning. Hillis Short was taking her across the lake in a launch. The launch struck a sunken log and was on the verge of sinking when Mr. Short got on the log and sustained the waterlogged craft until help responded to his cries for aid.

The North Bend high school debating teams for the Coos County debates to be held February 23 have been chosen. Geo. Dewey, Lyle Chappell and Chas. Van Zile will compose the affirmative team and Norma Chase, Frances Golden and Dorothy Kibbler the negative. Glen Grouth and Miss Ruby Watkins will act as substitutes.

HOLD MEDAL CONTEST

W. C. T. U. to Hold Program in North Bend, February 20.

URGES JETTY PROJECT NOW

Congressman Hawley Writes That Prospects for Federal Action Are Good.

That the Coos Bay Jetty project is not being overlooked but that everything possible is being done to secure favorable action on it is the news received here in a letter from Congressman Hawley. Henry Sengstacken has been urging the matter and today received the following letter from Mr. Hawley:

"I have just had a further conference with Congressman Davidson, relative to the restoration of the north jetty, and he will take care of the situation in every possible way. General Bixby will be before the committee on rivers and harbors in a short time and the chairman of the committee is prepared to obtain the information in the hands of the engineers with a view to showing the necessity for an appropriation at this time to restore the jetty. The matter seems to be progressing now as well as possible and everything has been and is being done that can be."

TABERNACLE PLANS TOLD

High School Committee Make Statement About Gymnasium Arrangements.

Editor Times:

There seems to be considerable misunderstanding among various Marshfield people in regard to the high school and the ownership of the old Tabernacle building. It seems to be the impression of a good many that money recently paid to the Tabernacle Association was to be used in purchasing the Tabernacle building for use as a high school gymnasium and the various committees experienced some difficulty in straightening things out.

The following statement will, we think, successfully clear matters up:

The Tabernacle building originally cost about \$1500. At the time it was built shares were sold in it for \$5 apiece, one-half to be paid down and the other half to be collected when needed. This second half, however, was never called for. At the time the Shannon meetings closed the Tabernacle Association was about \$700 in debt, with about \$100 left above the running expenses. This was paid on the \$700 and a number of business men took up a note for \$600 for the balance.

During the Lyon meetings this original debt was reduced to about \$450, but the taxes on the property and interest on the note amounted to about \$150, bringing the note back to \$600. During the last meetings held by the ministers of Marshfield about \$230 was raised in excess of the running expenses, and this amount was paid on the note, reducing the indebtedness to \$370. The building was then sold to the School Board for \$150, which amount reduced the above mentioned note to \$220. This balance was raised by private subscription among the business men.

The subscriptions taken up and collections made by the Tabernacle Association committees had nothing whatever to do with those of the high school and all money paid to them was used in paying debts incurred by the Tabernacle Association. At the time the Tabernacle was built no mention was made of using it for a high school gymnasium. The School Board later turned it over to the high school for use as such and the subscription circulated by the High School Athletic Association was to obtain money to repair, equip and maintain the building. At present the School Board has a lease on the property on which it stands till June 15, 1912, with good prospects of getting it extended.

Executive committee of Athletic Association:

HOW COLD FEET AFFECT THE KIDNEYS.

Avoid taking cold if your kidneys are sensitive. Cold congests the kidneys, throws too much work upon them and weakens their action. Serious kidney trouble and even Bright's disease may result. Strengthen your kidneys, get rid of the pain and soreness, build them up by the timely use of Foley Kidney Pills. Tonic in action, quick in results. Red Cross Drug Store.

A GREAT DISCOVERY

Certain Ingredients That Really Promote Hair Growth When Properly Combined.

Resorcin is one of the most effective germ destroyers ever discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.

Pilocarpin, although not a coloring matter or dye, is a well-known ingredient for restoring the hair to its natural color, when the loss of hair has been caused by a disease of the scalp.

These ingredients in proper combination, with alcohol added as a stimulant and for its well-defined nourishing properties, perfect perhaps the most effective remedy that is known for scalp and hair troubles.

We have a remedy which is chiefly composed of these ingredients, in combination with other extremely invaluable medicinal agents. We guarantee it to positively cure dandruff and to grow hair, even though the scalp in spots is bare of hair. If there is any vitality left in the roots, it will positively cure baldness, or we will refund your money. If the scalp has a glazed, shiny appearance, it's an indication that baldness is permanent, but in other instances we believe baldness is curable.

We want every one troubled with scalp disease or loss of hair to try Rexall "93" Hair Tonic. If it does not cure dandruff and grow hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. We print this guarantee on every bottle. It has effected a positive cure in 93 per cent of cases where put to a practical test.

Rexall "93" Hair Tonic is entirely unlike, and we think, in every particular, better than anything else we know of for the purpose for which it is prescribed. We urge you to try this preparation at our entire risk. Certainly we know of no better guarantee to give you. Remember, you can obtain Rexall Remedies in Marshfield only at our store—The Rexall store, Lockhart-Parsons Drug Co., "The Busy Corner."

Home Permanency vs. Home Monotony

This is a vital question for present day homebuilders—whether to have a house which in appearance must always remain the same or a house that will permit of a little refreshing occasionally. Neighborhoods change as do individual tastes—a frame house can easily be made to harmonize with its surroundings—a fresh coat of paint often will make it as good as your neighbor's new house—the same as a new suit makes you feel like a new man. At any rate a frame house is susceptible to most any change you might desire and while it is permanent it does not necessarily become an eyesore or a monotony. There are lots of things we've observed about houses and lumber that you should know before building—come in and we'll give you our views.
