**CONVICT KILLS CONVICT**

Stabbing Affray in Nebraska Penitentiary Fatal.  
(By Associated Press to Coos Bay Times.)

LINCOLN, Neb., March 29.—A convict, Charles Davis, stabbed and almost instantly killed another convict, John Strong, in the state penitentiary today.

The "Child's Welfare" movement has challenged the attention of thoughtful people everywhere. Mothers are natural supporters, and will find in Foley's Honey and Tar Compound a most valuable aid. Coughs and colds that unchecked lead to croup, bronchitis and pneumonia yield quickly to the healing and soothing qualities of Foley's Honey and Tar Compound. For sale by Red Cross Drug Co.

**SHERIFF GAGE HURT**

Sheriff Gage met with a mishap one day this week. While splitting wood a stick returned boomerang fashion and struck him on the cheek and over the eye, inflicting a painful wound. That no more serious results accrued through the accident than perhaps a small scar is a miracle. Though slightly disfigured—unlike Teddy's hat—he is "atill in the ring," and the dimmed vision of one optic does not deter him from viewing all matters aright.—Coquille Herald.

How to Tell if Your Hair is Diseased. Even if you have a luxuriant head of hair you may want to know whether it is in a healthy condition or not; 98 per cent of the people need a hair tonic.

Pull a hair out of your head; if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased, and requires prompt treatment if its loss would be avoided. If the bulb is pink and full, the hair is healthy.

We want every one whose hair requires treatment to try Rexall "93" Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head, grow hair and prevent baldness.

It is because of what Rexall "93" Hair Tonic has done and our sincere faith in its goodness that we want you to try it at our risk. Two sizes 50c and \$1. Sold only at our store—The Rexall Store, Lockhart-Parsons Drug Co., "The Busy Corner."

Special Sale tomorrow—People's 5, 10 and 15 cent Store.

Many Homes Are Not As Well Lighted As They Should Be

Many citizens are paying sufficient money each month to obtain the satisfactory electric lighting which they do not get.

The fault lies in unscientific lamps, shades, reflectors and fixtures which they are using.

No matter how good the electric current delivered, poor lighting appliances will blight illuminating results.

The new (Mazda) tungsten lamps give nearly three times as much light for the same consumption of current as do the carbon incandescent lamps.

Our experts will be glad to help you solve your lighting problems. There is no charge for their service.
