GENERAL SCHOOL NOTES

Myrtle Point schools will close May 17. Superintendent Tiedgen of Marshfield will give the commencement address.

Effort is being made to secure President P. L. Campbell of the University of Oregon for the annual commencement address at Marshfield.

Marshfield schools close for the summer vacation the last week in May.

County oratorical contest will be held at Coquille, April 26.

Annual interhigh school track meet at Marshfield early in May. Exact date will be announced soon.

The regular monthly general teachers' meeting was held at the high school building, Monday, April 1. A very interesting program was given. Those on the program were: Mr. Grannis, Miss Baldwin and Miss Elmore.

The monthly meeting of the primary teachers will be held Monday, April 8, at the Central building. The work for the remainder of the year will be planned and various topics discussed. Miss Palmer will have charge of the meeting.

HIGH SCHOOL NOTES

The athletics of the High School are progressing nicely. The basketball team has proven of great interest to the students as well as players. So far the Freshmen lead in the High School section, while Bradley's team leads in the Grade section. One more set of games remains to be played and then all eyes will be turned to the track team.

It is expected that the High School Field Meet will be held earlier than at first decided as most of the schools in the county are intending to take advantage of the invitations sent them by the State University and O. A. C. to send a four man team to their respective High School meet. These meets come on the 10th and 11th and 13th and 14th of May which former date would have been the one on which the county meet would have been held.

Much promising material is turning out for work, which has been going very slowly, but will begin to become more strenuous the coming week. Some who can be depended on to win for Marshfield are Sidney Clarke, Larson, Stutsman, Captain Harrington, together with some who are new, but show much promise. Among these are Isaacson, Clark, Stead, Kruse, Cooley, Lecocq, and Jensen.

The Junior class in Physics have begun the study of light and it is proving very interesting and we hope to continue the study in such a way as to make it profitable and pleasant.

The Roman History class has begun their review but expect to take up other work as soon as the regular course is completed.

English Department.

The following reports bearing on Burke's speech on the Conciliation were given by members of the senior class:

- Navigation Acts Ernest Harrington, Nora Tower
 - The English Constitution Ralph Kruse

 - The Conquest of Ireland Mae Preuss
 - Patrick Henry's Address Ruth Allen
 - Situation in County Pallatino on Leo Byerly
 - History of Wales Edna Hansen
- The Junior class are studying Coleridge, Campbell and Southey. This week being given to the study of the ancient mariner, Kubla Khan and Christabel.

The tenth grade have taken up the study of "The Merchant of Venice." In preparation the Life of Shakespeare was studied and Irving's Essay on Stratford read.

The ninth grade have been giving some time to the study of business correspondence. This comes as a sort of interlude between the different kinds of work done during the semester.

The ninth grade pupils are studying the construction of the short story.

The following program will be given by the High School Literary Society, April 11:

- Music Society
- Declaration Albert Haines
- Essay Chester Johnson

Vocal Solo Mr. Grannis

The question will be open to the society for discussion.

Music Society
Report cards were given out this week in the high school and in the eighth grade.

Eighth Grade.

The spelling contest begun some time ago in the eighth grade closed on Friday. The side of which Nellie Warwick was captain won by 1 1/2 credit over the side of which Isabel Ferguson was captain, and will be excused 45 minutes early on Friday. Isabel Ferguson made the highest average, making an average of 97 per cent and winning the prize.

Those making the highest averages were: Loran Cooley, 95 1-5 per cent; Nellie Warwick, 94 1-5 per cent; Marian Seaman, 93 5-7 per cent; William Horsfall, 91 1-4 per cent; Marie Vasey, 90 1-5 per cent; Esther Asplund, 90 per cent; Adelaide Clarke, 90 per cent; Roxie Hall, 94 2-5 per cent. The general average for the winning side being 54 7-10 per cent. The names of those in the contest follow: Isabelle Ferguson, Roxie Hall, Adelaide Clarke, Dagmar Fliesberg, Marie Vasey, Ethel Josephson, William Horsfall, Eddie Bolt, Marie Wheeler, Jens Hansen, Ruth Dungan, Erick Storgard, Lee La Chapelle, Carl Back, Nellie Warwick, Grace Williams, Eva Hansen, Marian Seaman, Esther Asplund, Florence Powers, Emma Hagquist, Della Oldland, Sarah Escott, Loran Cooley, Gunhild Lund, Alfred Jutstrom. A series of ten tests were given. Marian Seaman was absent this week.

Fourth Grade.

Dr. McCormac visited this room Thursday morning.

George Minnie, a new pupil from the Seattle schools, entered the high fourth class Monday.

Those absent on account of sickness this week were: Gladys Perry, Arthur Hanson and Ernest Lee.

The best story this week was written by Eben Connor. Martha Sprague, Genevieve Gosney and Bernice Mirrasoul received honorable mention.

Some good sketches in brown were made this week by Clara Abel, Esther Holm, Martha Sprague, Edith Johnson, Rosy Knox and Edith Ayre.

First Grade.

The Easter work done this week was Easter cards with a little yellow chicken on and some posters with a rabbit in the moonlight.

Eva Haynes was absent this week on account of illness.

The new game learned this week was a Swedish folk game.

SCHOOL EXHIBITS

There will be an exhibit of school work at the Central and South Marshfield schools on Friday afternoon, April 12. The pupils of the grades will give a program of drills, recitations and songs. Programs begin at 2 o'clock.

The exhibit of pupils' work is made for the purpose of strengthening the scholarship and the spirit of scholarship in the grades. It is a business proposition purely. Some of every child's work, whether good or bad, will be placed in his room where parents, friends and visitors can review it. All who come to the schools next Friday afternoon are asked to visit the rooms, look over the work, and consult with teachers about it. This part of the exhibit is to our mind, the valuable part.

The program of exercises is rather an incident of the exhibit. It, too, simply illustrates another side of the school life consisting of folk songs and drills, callisthenic drills, physical exercise drills with Indian clubs, marching and songs. Some extras have been worked up for those programs but in the main they illustrate

Well Lighted Houses Are Possible to Everyone

An atmosphere of comfort and cheer is noticeable in every well lighted home.

Good lighting costs no more than poor lighting.

Tungsten (Mazda) lamps give nearly three times as much light for the same current consumption as do carbon lamps.

The first cost of tungsten lamps and proper shades is repaid many times in satisfactory lighting without increasing the bills.

Let our experts assist you in getting full value out of the electric current you pay for.
