Tide is given the time and height of high and low water at Marshfield.

The tides are placed in the order of occurrence, with their times on the first line and heights on the second line of each day; a comparison of consecutive heights will indicate whether it is high or low water. For high water on bar, subtract 2 hours 34 minutes.

**BORN.**  
HIGGETT—To Mr. and Mrs. Higgett at their home in the D. L. Rood house in North Marshfield, Monday, April 15, a daughter.

**Bar Meeting**—The Coos County Bar Association is holding a special meeting at Coquille today.

**City Beautiful Work**—Another meeting of the Marshfield Improvement Club will be held at the Marshfield Chamber of Commerce tomorrow night to perfect plans for the "City Beautiful" campaign here. It is hoped that there will be a large turnout so that the work may be inaugurated auspiciously.

**Enjoy Picnic**—J. A. Stadden and family, J. A. Walker and wife, Norris Jensen and wife, Miss Mary Clark, Mr. Kuehn and C. G. Stadden and family composed a party who enjoyed a picnic at Charleston yesterday. The day was an ideal one and the outing was enjoyed immensely.

**Baseball Meeting Tonight**—Another meeting of the local baseball fans will be held at the office of Cal Langworthy on South Broadway this evening. Joe Schott, who formerly managed Earl Henderson, the pugilist, will likely manage the local team this year. He is now employed at the Bay City mill.

**Court in Session**—Judge J. S. Coke and a number of Coos Bay attorneys went to Coquille this morning to attend the adjourned term of circuit court which opens today. Motions, etc., will come on old cases to clear the docket for the regular April term of circuit court which opens a week from today.

**Aston Coming**—Taggart Aston, who made the survey for the Coos Bay & Eastern Railway from here to Roseburg a year ago, is expected here from San Francisco soon. Just what his mission is, no one here has been advised. Already mail is being received for him at The Chandler and he is expected in almost any day.

**Refunds Port Tax**—Anderson Wright of Sumner today sent back his check for the Port of Coos Bay tax. He sent all his tax money to the sheriff and the latter refunded the port tax part of it. Mr. Wright says that although he doesn't pay much, he pays it gladly and doesn't want to kick out of it on a little technicality.

**Wins Case**—The litigation between Dr. G. W. Leslie and A. S. Dibble over some Ferndale property has terminated in a victory for Dr. Leslie. It seems that about a year ago, Alva Doll, as agent for Dr. Leslie, arranged for the purchase of the property, but owing to a mix-up over the telegrams about it, a misunderstanding arose. Mr. Dibble lives at San Diego.

**Waite Coming**—F. B. Waite was here from Sutherlin this morning en route to Coos Bay on a business trip. He is informed that work on the Southern Pacific Railroad from Coos Bay to Eugene will begin at the Marshfield end just as soon as a right of way through the town is secured and a petition is signed by a reasonable number of the people there for a permit from the government to the railroad company to bridge the bay.—Roseburg Review.

**Broke Arm**—Rosco Hart, the 10-year-old son of Mrs. Mary Hart, of Bangor, while playing at home last evening about 6:30 o'clock, jumped from a swing and fell in such a manner as to break his left arm in two places. It seems he was playing with a number of other boys who were

pushing the swing and when one of them told the Hart boy to jump, he sprang from the swing with a disastrous result. A physician dressed the injured arm which, while painful, will suffer no permanent ill effects.

**Before Grand Jury**—A number of Marshfield men were summoned to Coquille today to appear before the grand jury which this afternoon took up the Bestcott-Murray murder case.

**Dance a Success**—The dance given by the Coos Bay Concert Band at the Eagles' hall Saturday night was a big success. Many out of town people from Empire, North Bend, and Coquille were in attendance. No date has been set for the next band dance.

**Dredge to Move**—The Dredge Oregon tomorrow or next day will finish the work she is now engaged on and will work back towards the Alliance dock finishing up that project. She will likely pump out Central Avenue and finish the fill near the Masonic Opera House.

**Council Tonight**—The Marshfield city council will meet tonight to take up various city matters. An effort will probably be made to expedite some of the proposed street improvements and a delegation from the Fire Department will probably be present to discuss new equipment.

**Good Fishing**—Russ Tower, Jay Tower, Sidney Smith of Eugene, Dr. Vaughan and R. K. Booth returned today from Ten Mile where they enjoyed a few days' fishing. They report the trout were rising to the fly in good shape and brought back a nice basketful to substantiate their story.

**Meet for Organization**—Parents and all members interested are invited to meet at the Commercial rooms in North Bend for the purpose of organizing a social and moral hygienic club for work among the young people and school children of North Bend. Professor Raab will be chairman, and Mrs. Herbert Armstrong, Dr. McCormac and Dr. Bartle will speak on phases of the work.

**Benefit Concert**—At the benefit concert given at the Masonic Opera House yesterday, \$34.50 was taken in for the fund to assist in securing medical care for the daughter of Mr. and Mrs. Jud Mills. The fine day resulted in many leaving town on excursion trips and reduced the attendance. The program is declared to have been one of the best ever given by the band.
