IT GROWS HAIR

Here Are Facts We Want You to Prove at Our Risk.

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet requisite, is delicately perfumed, and will not gum or permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair, and in every way give entire satisfaction, simply come back and tell us, and without question or formality we will hand back to you every penny you paid us for it. Two sizes, 50c and \$1. Sold only at our store—The Rexall Store, Lockhart-Parsons Drug Co., "The Busy Corner."

A Secure Investment Which Yields Large Returns

Once wired—a home is wired for all time. Security of an investment in house wiring is therefore apparent.

Landlords profit because electrically equipped homes rent more readily. Home owners profit by increased value of their property.

But electric wiring pays its biggest returns in well lighted, cheerful, safe and comfortable homes.

One of our experts will submit an estimate on your job without cost to you.
