A TOAST TO LAUGHTER—Here's to laughter! The sunshine of the soul, the happiness of the heart, the heaven of youth, the privilege of purity, the echo of innocence, the treasure of the humble, the wealth of the poor, the heap on the cup of pleasure; it dispels dejection, banishes blues and mingles melancholy, for it's the foe of woe, the destroyer of depression, the enemy of grief; it is why kings envy peasants, plutocrats the poor, the guilty the innocent; it is the sheen on the silver of smiles, the ripple on the waters of delight, the glint on the gold of gladness. Without it humor would be dumb, wit would wither, dimples would disappear, and smiles would shrivel, for it's the glow of a clean conscience, the voice of a pure soul, the birth cry of mirth, the swan song of sadness. Laughter!
