

HERBINE

For the Bowels

A Cure for Chronic Constipation, Torpid Liver and Irregular Bowel Movements.

Constipation is the most common disorder of the bowels. It affects both sexes and all ages but is more prevalent among women because their duties in the household require less physical exercise than the occupations of men; therefore women suffer most from its baneful effect.

A constipated person is an easy victim when exposed to any serious disease—Pneumonia, Typhoid Fever, Malaria, Rheumatism, Small Pox, Yellow Fever and Bright's Disease gather their annual harvest of death among those who are habitually constipated. Even though they escape these diseases, such persons are always ailing more or less. They have headaches, bad digestion, dizziness, vertigo (blind staggers), sallow complexion, flatulence, loss of strength; and no energy at all. Herbine has a most admirable effect in the bowels; it is cooling, purifying and regulating. It puts a prompt check on biliousness, wind in the bowels, nervousness, heartburn, bad breath, low spirits, drowsiness in the daytime and nervous wakefulness at night.

Price 50c per Bottle.

BETTER THAN SPANKING
Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

WORK NEAR VALE.
Preparations Under Way for Receiving Ties and Steel for Oregon Eastern.

VALE, Ore., May 15.—The Enterprise has the following railroad news:
Although the deal has not been closed, it is learned that the railroad company is seeking to either lease or purchase some 20 acres of land adjoining the city limits on the east and along the railroad tract. The tract of land is to be used for the building of a number of warehouses, laying a number of railroad sidings in order to make room for the thousands of tons of railroad construction material, including ties, steel rails, bridge material, etc., that is to be shipped to this city soon for the construction work of the Oregon Eastern railroad now being built west of this city through the Malheur canyon.

It is also possible that the headquarters of the Utah Construction company, now being maintained north of the Interior Warehouse & Grain company warehouses, will also be moved adjoining the new railroad construction yards, as the present headquarters are already crowded. Another incentive for the moving of the Utah Construction company headquarters is the fact that the new grounds are most conveniently near the river, where the horses could easily be watered.

Some time ago it was reported that the railroad headquarters might be moved two miles to the southwest of this city on a section of land owned by the Oregon & Western Colonization company, but the change has not been made, as a reasonable lease could not be secured. The new tract of land which is now sought is owned by Frank Peterie, and lies on both sides of the railroad track, making it most convenient for the use of railroad operations.

During the past week construction work at the various camps in the Malheur canyon has been progressing rapidly, especially at the big tunnel at mile post 39. The number of freighting outfits which have been hauling supplies from this city into the canyon during the past few days, indicates that preparations are being made to push all construction work as fast as possible. On Thursday 22 six and eight-horse freighting outfits heavily loaded with tunnel timber left Vale for the canyon. The long string of freight wagons not only revealed to many residents the actual activity already on the building of the Oregon Eastern railroad, but also showed that railroad work was to be rushed in earnest this summer.

HOWARD'S genuine MEXICAN TAMALES delivered any place in the city until 12 O'CLOCK at night. They are READY TO SERVE. Phone 335.
