TAFT STILL HOPES TO WIN NOMINATION (By Associated Press.)

WASHINGTON, D. C., May 22.—President Taft after his campaign tour of Ohio reached Washington today and plunged into his work preparatory to leaving tomorrow for New Jersey to campaign for delegates to be elected at the primaries here next Tuesday. He has made it known to friends that he is still in the fight and believes he will have enough delegates to obtain the nomination at Chicago.

TO BEAT ROOSEVELT (By Associated Press.)

WASHINGTON, D. C., May 22.—Although no official approval is given to the report, it is persistently rumored that Taft will make every effort now to prevent Roosevelt getting the nomination. The news from Ohio did not seem to perturb Taft in the least.

FIGHT TO BITTER END (By Associated Press.)

WASHINGTON, May 22.—President Taft today arranged to extend his trip to New Jersey so he will be campaigning in that state until an hour before the polls open at one o'clock Tuesday. The original schedule would finish Monday night. The extension is said to indicate that he will make a determined fight on Roosevelt to a bitter end.

COLUMBUS, May 22.—More commotion returns from yesterday's Ohio primary at noon today when Col. Roosevelt has won 42 of the 42 delegates to the republican convention selected in twenty-one congressional districts and Taft was given ten delegates or slightly less than half of the total number named.

of the democratic ticket, Harmon believed to have won by a larger margin than did Roosevelt, being elected with thirty five district delegates as against seven for Wilson.

Although Taft secured but ten out of thirty-two delegates, the Taft-Roosevelt fight in Ohio is not finished but will be carried into the republican convention June 3 when he will select six delegates at the national convention.

A total of less than one thousand delegates to the state convention, a large portion of whom were named yesterday, nearly commensurate number to control in the event he will have sixteen delegates of the forty-eight from Ohio at the Chicago convention.

Although it probably may be influenced by later returns, it is estimated that Roosevelt has a plurality of approximately 25,000 to 30,000 over Taft in the plurality con-

McKinley, of Taft Campaign, Talks of Ohio Results.

Associated Press to The Coos Bay Times.)

WASHINGTON, May 22.—Director McKinley of the Taft bureau declared that the president will have at least a hundred delegates in the Chicago convention. He said of the outcome: "It is no degree at all the relative strength of the candidates in the Chicago convention."

McKinley said the Roosevelt man concentrated their energies in effort to carry Ohio and that it is reliably reported that the Taft-backers in Ohio expended hundreds of thousands of dollars in campaign in that state alone. Taft forces expended \$25,000 all from their headquarters," he

## "DELIGHTED," T. ROOSEVELT

Elated Over Victory in Ohio—Says It Cinches the Nomination for Him.

(By Associated Press to The Coos Bay Times.)

OYSTER BAY, N. Y., May 22.—"The result in Ohio has settled the contest," said Col. Roosevelt today. The Colonel was greatly elated over the reports from Ohio.

"Naturally I am much pleased with the impulsive judgment of Ohio," he said. "Seriously I can only repeat what I have already said. I infinitely prefer the deliberate judgment of the people to their impulsive judgment and in Ohio we got their deliberate judgment and as I have also said if I had to make a choice, I would choose the impulsive judgment of the people rather than the deliberate judgment of the bosses."

"I believe we could win without Ohio. Our opponents need substantially the solid vote of Ohio in order to give them even a chance to make contest in the Chicago convention. "The victory in Ohio means it will be hopeless to try to beat us in Washington, Indiana, Kentucky and elsewhere nor will it be possible for them to win by seating delegations from the southern states which represent nothing whatever but fraud."

## CALLS ON TAFT TO WITHDRAW

Senator Dixon, Roosevelt Manager, Wants Him to Retire From Contest.

(By Associated Press to The Coos Bay Times.)

WASHINGTON, D. C., May 22.—Senator Dixon, head of the Roosevelt national headquarters, today issued a statement practically calling on President Taft to withdraw from the presidential contest.

"Ohio makes the tenth republican state where the candidates of Taft and Roosevelt were submitted to the republican voters for a decision," said Dixon's statement. "The verdict has been unanimous in every state. Taft and his campaign managers have fully realized that an adverse verdict in Ohio would be the death knell to the movement to re-nominate Taft. Taft frankly so stated in a speech at Cleveland last Thursday."

"The republican party is bigger than the ambition of any one man. The one wise, patriotic thing to be done by Taft and his managers now is to accept the unanimous verdict of the republican primary states and withdraw from the contest. Neither he nor his managers can longer withstand the nation-wide movement that calls Roosevelt once again to assume the leadership of the republican party. His nomination is inevitable at Chicago and his election certain in November."

SALT LAKE, May 22.—Five riflemen concealed by a black curtain sent steel-nosed bullets into the heart of a blindfolded man as he sat in a wooden chair in the state prison this morning. Julius Sirmay, a mur-

derer, was the target. He had selected the bullets and the firing squad in preference to the rope and gallows after his conviction for the murder of Thomas Karrick, 14 years old, whom he shot and fatally wounded in the course of a daylight burglary. Sirmay confessed to the crime last night. The condemned, who was a Hungarian, was 24 years old. He was blindfolded before he left the cell and did not see the chair in which he was bound, nor the curtain of his executioners.

## MILLIS VIEWS LARGE TRACT

Takes North Bend's Offer of Terminal and Shop Ground Under Consideration.

C. J. Millis was in North Bend this morning in conference there with parties who had offered the Southern Pacific about 200 acres of land free on condition that the tract would be used for the terminals and shops of the Southern Pacific.

Mr. Millis on his return was disinclined to discuss the matter. He said that although no papers had been signed up about the matter, he was very much pleased with the prospect. About 100 acres of the tract lies in the Pony Slough basin and the balance nearby. He said that the property would be a very valuable accession although the conditions attendant upon its gift were far-reaching, one being that North Bend be made the principal terminal of the line.

Mr. Millis said that there was nothing in the local railroad situation. He said that he was hoping that something would soon materialize in the company's efforts to obtain a right of way through Marshfield. As to what might develop at the council meeting tonight, he had nothing to say.

No word has been received concerning the awards of the sub-contracts on the balance of the line here from Eugene.

The demurrer was overruled, whereupon Porter filed an affidavit in which he averred that he had not intended to threaten nor interfere with Moore's court work.

Porter admitted that he had told Moore to "Take a hunch from the demonstration at the hotel" the night Dr. Benjamin Reitman, manager of Emma Goldman, was taken from San Diego and tarred. Porter gave other testimony tending to substantiate his claim that he had not interfered with Moore and the case went over until tomorrow.

## FALSE RUMOR CAUSES STIR

Many Alarmed Over Report of Finding of Dead Man in Reservoir.

Little short of a furor has been caused by the spreading of a report that a dead man had been found in the reservoir of the Coos Bay water system. The report which was in circulation yesterday is absolutely without foundation but it has been so persistently circulated that many have given it credence.

The water company's office has been besieged by inquiries about it and it was the most discussed matter around town.

Supt. McCarty of the water company said that he visits the reservoir three times a day every day and that nothing unusual has been found in the reservoir. Sunday, some picnickers had thrown an empty beer bottle into the reservoir and the parties fishing the bottle out had referred to the empty bottle as a "dead soldier." This might possibly have been misunderstood by some one and in retelling it referred to the empty bottle as a "dead man."

Many patrons of the water company were so alarmed by the report that they ceased using water from the hydrants and have been endeavoring to get water from wells around town.
