for Coos Bay Line-Figuring On New Work.

EUGENE, Ore., May 24.—The Guard says: W. R. Fontaine, engineer in charge of the Coos Bay line. Guard says: W. R. Fontaine, engineer in charge of the Coos Bay line, said today that while the engineering department had not heard from headquarters with reference to the survey of the line to Marshfield they hoped to within a few days. Shipments of material for the construction of the ling-to the tunnel are arriving daily and rails are expected any day.

J. B. Eddy, right of way man for the S. P., arrived in the city from Portland last night. He was accompanied by John D. Twohy, of Twohy

Bros., contractors.

John D. Twohy, of the firm of Twohy brothers was here figuring on prospective contracts in connection with Southern Pacific work. L. R. Wattis, of the Utah Construction Co., in also in town. It is reported that further contracts for construction on the Natron extension will be let, possibly for completion of the entire railroad, or the contracting firms, will talk of the matter, but it is known attorneys were kept busy almost all last night working on con-tract agreements. It may be that further contracts on the Eugene-Coos Bay line are being prepared, but those best posted think the present activity concerns the Natron exten-Quite likely official announcerents will be made in a few days.

the city had the right to enter any objections to the railroad occupy-ing the street in advance of that time and as the city officials were all favorable, the company was not tak-

ing chances in doing the work.

It is expected that only about a block of track will be laid just now Now, it is stated, since the South

gart the actual construc-G. Horn and John Mullen construction under its terms, the o place the first tie in railroad company instead of the City of North Bend will have to defend any litigation that might be started

HAVANA, May 24.—The Cuban government declared today that it had not received any further news from the province of Oriente and that the reports from other sections of the island indicated that complete tranquility prevailed. The press generally comments with approval on the action of Washington sending war-ships and marines to Guantaname, regarding it as an expression of a de-sire on the part of United States to support the Cuban government and maintain the independence of the

(By Associated Press to Coos Bay Times.)

WASHINGTON, May 24-The abrogation of the Mora law forbidding the organization of negroes into a political party is claimed by the negroes in Cuba as a basis for their movement according to the State Department's advices. They are also declared to be striving for American intervention and the reelection of President Gomez. The Cuban government said today it expects to crush the movement within ten days with the two thousand troops in the field but the negroes are avoiding encounters. Their principal object apparently being the destruction of property.
