CRISIS IN CUBAN REVOLT; SOON KNOW ISLAND'S POWER

President Gomez Has Sent His Principal General Against the Rebels.

UNITED STATES KEEPS CLOSE WATCH ON IT

Send Number of Small Vessels to Danger Points As Precaution.

(By Associated Press to Coos Bay Times.)

HAVANA, May 31.—The government declared today it has no news of the negro insurrection and does not expect any important movement tonight or tomorrow. No word has been received here of the sailing of American marines from the gunboat Paducah at Daiquiri, property of the Spanish-American Mining company is reported to have been destroyed by insurgents. The Paducah left Guantanamo last night for Daiquiri.

(By Associated Press to Coos Bay Times.)

WASHINGTON, May 31.—The arrival of General Monteagudo at the post as commander-in-chief of the federal forces is being closely watched here. His success or failure is expected to forecast the course of the federal government to deal with the situation. Should the federal hands continue to attack for a property, it is possible the United States will send a fleet of small vessels to various points bordering the rebel zone to have marines land for immediate action. The fact that the rebel leaders in the present Cuban revolution are giving receipts for property taken in the name of Estanoz is believed here to indicate that the movement is a well planned and an earnest one. Post-assurances have been received from the Cuban government that a number of Cuban troops has been sent to guard the property of the Spanish-American Mining company at Daiquiri on the south coast of Oriente, Guantanamo.

BOAT IS OVERDUE

Gunboat Had Not Yet Reached Destination Early Today

(By Associated Press to The Coos Bay Times.)

SANTIAGO, May 31.—The American gunboat Paducah which was expected to arrive this morning at Daiquiri with a detachment of marines had not been reported arriving at 10:30 o'clock.

CRISIS IN REVOLUTION

Insurrection in Mexican Rebel Ranks Is Critical.

(By Associated Press to The Coos Bay Times.)

MEXICO, May 31.—Private information regarding the situation at Chihuahua says it is critical that apprehension for the safety of Americans in the rebel zone is felt. A scarcity of ammunition in the rebel ranks and the resentment directed against the United States on its embargo on the exportation of arms, a crisis has been reached in the revolution.

RAPS COL. ROOSEVELT

Former Governor Hawley of Indiana Thinks Him Dangerous.

(By Associated Press to The Coos Bay Times.)

ATLANTA, Ga., May 31.—Characterizing Col. Roosevelt as a "bungler," former Governor Frank Hawley of Indiana, asserted that had Roosevelt held the presidency during the Mexican crisis and been backed by a powerful army and navy, he would have devastated that country during his debate here last night with Edmund Pearson Hobson on the subject, "Resolved, That the United States should control the seas." Representative Hobson had outlined his views on the necessity of equipping the country with such a naval force that war henceforth would be out of the question.

BURN BRIDGES BEHIND THEM

Retreating Mexican Rebels Made Progress of Federal Army Difficult.

(By Associated Press to The Coos Bay Times.)

EL PASO, Tex., May 31.—The advance guard of the Mexican federales has reached a point five miles south of Santa Rosalia and 100 miles south of Chihuahua, according to telegrams received today from General Huerta. Prospects of a battle for at least a week are remote, as the northward path of the federales is temporarily blocked by burned bridges. The advance from Jimenez, now the federal base, was made under trying difficulties, 25 miles of track having been torn up by the retreating rebels. Every bridge and culvert was destroyed by dynamite and fire. General Huerta's quarters are in Jimenez.

CONFER WITH REBELS

U. S. to Ascertain Who Is Responsible for Inflammatory Articles.

(By Associated Press to Coos Bay Times.)

WASHINGTON, D. C., May 31.—American Consul Letcher, at Chihuahua, has been instructed by the State Department to take up with General Orozco, the rebel leader, the inflammatory articles which have been coming from the rebels because of the attitude of the United States in not allowing arms and ammunition to cross the international boundary line. Letcher will consult with Orozco to determine whether the articles were inspired. He is directed to report immediately the result of his investigation. The American Consul at Juarez reports an increasing resentment on the part of rebels there toward Americans.

HOTEL STRIKE IS SPREADING

All Union Cooks and Waiters in New York City May Be Called Out.

(By Associated Press to Coos Bay Times.)

NEW YORK, May 31.—New York faces today a possible strike of every union waiter and cook in the city. Two thousand waiters from the dozen famous hotels and restaurants are now on strike and unless they win the fight for higher wages, shorter hours and recognition of their union within twenty-four hours, their leaders have promised a general walkout. The order would affect hundreds of restaurants and "quick lunch" establishments. Approximately one thousand negroes are in readiness to be brought in to break the strike, the principal hotel managers say. Negroes are already working as strikebreakers in some hotels.

CLASH OVER OPEN SHOP

London Dock Strike May Spread Throughout England

(By Associated Press to Coos Bay Times.)

LONDON, May 31.—The open or closed shop is the crux of the dispute in the dock strike. There is no sign that the employers will consent to debar non-unionists from their employment or that the strike leaders will agree to permit union men to work along side non-unionists. A joint committee called by the government today proved a fiasco. Not a single employer put in an appearance. The government, however, submitted a fresh proposal for consideration of the men. The danger that the strike may become a national affair has not yet passed.

(By Associated Press to The Coos Bay Times.)

ROCHESTER, N. Y., May 31.—The Geo. W. Hollock Bank at Bath closed its doors today. Its deposits total \$700,000 and its assets are believed to exceed its liabilities. The bank has been in business since 1842.

BETTER STICK TO OLD COOS BAY

Things are dull in San Francisco, On the bum in New Orleans; Rather punk in cultured Boston, Famed for codfish, pork and beans; On the hog in Kansas City, While in Spokane things are jarred, And they're kicking up in Portland That the times are mighty hard.

Not much doing in Tacoma, It's the same by Astoria's shore; Coin don't rattle in Seattle As it did in days of yore. Jobs are scarce around Grays Harbor, All through Washington it's still, And there's very little doing, In the Aberdeen sawmill.

There's a howl now from Bellingham, Los Angeles and San Diego, too. In Hoquiam, money's limited— There's but little work to do. In the face of all these rumors It seems not amiss to say: That if you're thinking now of leaving, Better stick to old Coos Bay.

GIVES TESTIMONY AGAINST DARROW

Former McNamara Detective Tells of Schemes Worked by Defense in Noted Dynamiting Trial.

(By Associated Press to Coos Bay Times.)

LOS ANGELES, May 31.—"Berl, they are on us." These were the words Clarence S. Darrow uttered to Bert N. Franklin, a moment before the latter's arrest, November 25, 1911, for the bribery of George N. Lockwood, according to Franklin's testimony at the trial of Clarence Darrow today. Just prior to this statement, Franklin testified that Darrow had given him the \$4000 which was to have been given Lockwood for his vote of "not guilty" in the trial of James B. McNamara. Franklin testified as to the various conversations he alleges he had with Darrow regarding the \$4000 which he alleged was to be paid over to Lockwood and told of his first meeting with C. E. White, whom he had selected as "stakeholder" for the Lockwood bribe money. After he had told White what he wanted him

to do, he said White declared "My God, Bert, I would not trust George Lockwood as far as you could throw a bull by the tail."

(By Associated Press to The Coos Bay Times.)

LOS ANGELES, May 31.—In the Darrow trial today, Bert H. Franklin, a detective for the defense in the McNamara case, testified that persons drawn as jurors in the McNamara trial who were not considered friendly to the defense, were given notice in time to evade service. "I sent my operatives to the neighborhoods of those drawn," testified Franklin, "and they were instructed to call up the men by telephone and notify them that they had been drawn as jurors in the McNamara case and to tell them if they did not wish to serve they could leave town, as personal service was required." Franklin then resumed his story of the negotiations between himself and George N. Lockwood, the prospective juror alleged to have been bribed by Darrow in the indictment upon which he is being tried. In the indictment Lockwood is referred to as "a regularly drawn and qualified juror" in the McNamara case.

HIGH TRIBUTE PAID WRIGHT

Death of Noted Aviator Causes Great Regret in Washington—Praised by Taft.

(By Associated Press to Coos Bay Times.)

WASHINGTON, D. C., May 31.—In government circles and especially in the signal corps of the army, profound sorrow was expressed over the news of the death of Wilbur Wright yesterday. His connection with the government in the early days of aeroplane development was particularly close. Wilbur Wright negotiated the first contract with the War Department for an aeroplane in February, 1908. The first military aeroplane in the world, which the Wright brothers built for the United States was brought to Fort Myer in 1909.

President Taft, who presented the gold medals granted by Congress to Wilbur Wright and his brother, Orville, and who had frequently seen Wright fly, dictated the following statement: "I am sorry that the father of the great new science of aeronautics is dead and that he has not been permitted to live to see the wonderful development that is sure to follow along the primary line which he laid down. He deserves to stand with Fulton, Stephenson and Bell."

NO COMPROMISE FOR ROOSEVELT

Declares That Taft Must Not be Allowed One of Ohio's Delegates-at-Large.

(By Associated Press to The Coos Bay Times.)

NEW YORK, May 31.—The suggestion of a compromise between Taft and Roosevelt forces at the Ohio convention which is to elect six delegates-at-large was denounced today by Col. Roosevelt. In a telegram to Walter F. Brown, his Ohio manager, Col. Roosevelt among other things said: "Any attempt to secure him (Taft) so much as one delegate-at-large from Ohio is committing an act of treachery to the people. Any one who condones or approves such an act is condoning and approving treachery."

(By Associated Press to The Coos Bay Times.)

WASHINGTON, May 31.—Attorney General Wickersham has authorized a federal grand jury inquiry at San Diego, California, into the activities of the Industrial Workers of the World. This action was in response to an appeal from the city authorities.

The San Diego appeal charged that the I. W. W. had offended American neutrality by statements regarding Mexico. The United States attorney at Los Angeles has been given authority to lay the matter before the grand jury at San Diego. The Department of Justice aside from the protest of the San Diego local authorities has been watching the situation for several weeks.

Col. New Turns Down Special Request From Senator Dixon for 250.

CAUSES FURORE IN REPUBLICAN CIRCLES

New Questions Senator Dixon's Veracity—Dixon May Appeal to Committee.

***** DIXON MAY APPEAL TO THE COMMITTEE *****

By Associated Press CHICAGO, May 31.—Senator Joseph Dixon, campaign manager for Col. Roosevelt, may take his demand for 250 tickets in the republican national convention before the National Committee of the party when that body meets June sixth in Chicago. This course was indicated today when it became known that members of the National committee had received long telegrams from Dixon protesting against the action of chairman New of the sub-committee on arrangements for the convention in refusing tickets. New has received telegrams from new members of the national committee pledging their support in any disposition he may make of the convention ticket controversy.

(By Associated Press to The Coos Bay Times.)

CHICAGO, May 31.—Colonel New, chairman of the sub-committee on arrangements for the National republican convention yesterday received a request from Senator Dixon, head of the Roosevelt committee, for 250 tickets to the National convention for the Roosevelt National committee. He replied that the committee would be unable to grant the request. Col. New explains that in other conventions the National committee had never recognized the candidates in issuing tickets of admission. Four years ago, 150 tickets were given Col. Roosevelt and nine were issued to Taft. This year the committee has arranged 150 tickets to be given Taft for the use of his friends, cabinet officers, and government officials and no provision is made for the supporters of the candidacy of Col. Roosevelt.

CAUSES BIG STR

Colonel New Denies Senator Dixon's Statement About Matter.

(By Associated Press to Coos Bay Times.)

CHICAGO, Ill., May 31.—The ticket tangle continued to furnish excitement at the republican National convention headquarters today. A denial of Senator Dixon's statement that he had asked for tickets for Roosevelt's personal use and had been refused was made by Colonel Harry S. New, chairman of the sub-committee on arrangements for the convention. "I wish to deny Senator Dixon's public statement that he asked for 250 tickets to the convention for the personal use of Roosevelt," said Col. New. "The telegram I received from Dixon read 'For use of Roosevelt National committee.' I don't want to be put in the position of having been discourteous to Col. Roosevelt or any other distinguished citizen. In denying Dixon's request, I simply followed the precedent established by my predecessors in the National committee and carrying out the rule that no tickets shall be allotted to the managers of presidential candidates. "If Col. Roosevelt should make application for a reasonable number of tickets for his own use for his family or for personal friends, he would get them."

Col. New said he had refused applications for tickets from La Follette's and Taft's campaign managers and "all presidential candidates are being treated alike in this matter. Taft has been allotted 150 tickets as President of the United States for the use of himself, his family, officials and foreign diplomats. This courtesy is one which has always been extended by the National committee to republican Presidents."
