DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever in cases out of ten caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by Catarrh) that cannot be cured by Hays' Catarrh Cure. Send for circulars, free.

NEW FACTORY FOR COOS BAY

G. W. Dungan and A. Larson Establish Enterprise—Undertaking Business Will Continue.

The Woven Wire Mattress & Bedding Co. in the name of a new Marshfield manufacturing enterprise that has commenced operations at 545 South Broadway in a building recently erected for it. The new concern, which is composed of G. W. Dungan and A. Larson are installing a complete line of the most modern machinery for the manufacture of high-grade woven wire mattresses and all kinds of bedding supplies such as silk floss, felt, reversible cotton top and box mattresses, couches, cots, etc. The company does an exclusive wholesale business in these lines but also has a department for all kinds of upholstering and repairing.

The institution of this new enterprise and Mr. Dungan's interest in it doubtless occasioned the story that he was to retire from the undertaking business. When asked concerning this Mr. Dungan said: "The story is absolutely untrue. I have an expert and experienced associate, Mr. A. Larson, who will have charge of the mattress and upholstering factory. I will continue sole owner of the undertaking business at 545 South Broadway where I have a neat chapel for funeral parties at home or am prepared by having a well-equipped and modern morgue where I can embalm and ship bodies to any part of the world. I will continue to give my personal attention and direction to this part of the business."

FOR HUMAN OR ANIMAL FLESH
A remedy that is equally efficacious in healing the wounds, sores, sprains or other ailments of the flesh of man or beast.

BALLARD'S SNOW LINIMENT
A healing remedy to effectively meet the needs of animal flesh need not be a harsh, strong mixture, too drastic for the human body; Ballard's Snow Liniment in proof of this. It ranks with the best of the fresh healing remedies designed for man; and it is equally as prompt in curing the wounds and flesh diseases common among animals. Owners of blooded horses prefer it to any other liniment because it leaves no disagreeing scars in any of the minor accidents or ailments. It heals by a mild power to which the flesh of horses responds readily.
It is of great value in healing harness galls, barbed wire cuts, wounds, festering sores and many other ailments to which horses are subject. In the relief of human suffering, it has done a world of good, particularly in easing the pains of rheumatism, neuralgia, sciatica and lumbago. When gently rubbed in where the pain exists, it gives a most gratifying relief to the afflicted. As a household remedy for cuts, burns, bruises, sprains, contracted muscles, stiff neck, frost bites, swellings, chilblains, Ivy poisoning, there is nothing better on earth.
