LARGE NUMBER KILLED IN ELECTION RIOTS IN BELGIUM

Protestants Clash with Catholics in Many Places Throughout Country.

ARMIES RETURN TO FIRE OF SOCIALISTS

Disturbances in Belgium Take on Resemblance of Revolution Today.

(Associated Press to Coos Bay Times.)

BRUSSELS, June 4.—The post election riots in Belgium have taken on a revolutionary character. Following last night's troubles at Liege, other places the socialist central committee declared today it would call a general strike tomorrow. Several were killed and a score wounded in an exchange of volleys between mounted Gendarmes and rioters at Liege. In addition to the troubles at Liege and Verviers where the Gendarmes fired upon the crowd killing wounding more than fifty, there are serious rioting at Bruges, Ghent, Louvain, Antwerp and this city. Several Jesuit colleges and Catholic institutions were attacked and some were smashed. The Gendarmes charged the rioters with swords and the fatal encounter occurred near the socialist headquarters known as the "Peupleire." Revolvers in the air, the Protestants advanced through the streets of stores and cafes. After the rioters reached their headquarters, volleys were fired from within the Gendarmes who then resorted to bullets with fatal effect. At Liege, great damage was done to property and street car tracks were overturned. The cries of the rioters were demanding administrative changes of the Flemish and Wallon provinces. Some of the newspapers are at a growing sentiment among working classes in the Wallon provinces in the southeast in favor of annexation to France. Fifty and additional reserves will be sent out, it was stated today, as agitation is spreading throughout the country.

SAYS GOMPERS SENT BRIBE MONEY

Head of American Federation of Labor Involved in Darrow Case at Los Angeles.

(By Associated Press to Coos Bay Times.)

LOS ANGELES, Cal., June 4.—Samuel Gompers, head of the American Federation of Labor, sent the money direct to Clarence S. Darrow which Franklin has testified was used in the bribery of George N. Lockwood, according to Bert Franklin under cross examination today at the trial of Darrow for alleged jury bribery in connection with the McNamara cases. Franklin said Darrow had given him this information. Franklin testified at the same time that Darrow had told him he need not worry about John Harriman being implicated in the case. Harriman, Darrow told the witness, could account for his visit to the safety deposit vault the morning he secured the \$4000 by the fact that he took out \$500 to pay a mortgage, said Franklin. The conversation in which Gompers' name was mentioned followed a newspaper account purporting to show that the \$4000 used for Lockwood had been marked money. Darrow had declared the money could not be traced back as having

sent direct to him by Samuel Gompers.

Franklin also testified to a conversation with the defendant in the course of which he said Darrow had asked him for a description of the cells and accommodations at San Quentin and Folsom prisons. "I told him the best I could," continued the witness. "I was thinking seriously about that myself."

DENIAL BY GOMPERS

Denies Franklin's Evidence as Absolute Falsehood.

(By Associated Press to Coos Bay Times.)

WASHINGTON, June 4.—Samuel Gompers today said of Detective Franklin's testimony in the Darrow trial at Los Angeles: "That is an absolute falsehood made out of whole cloth. I do not know Franklin and I have never had any dealings with him. I did not send money to him or to anybody. I do not handle any money. There is nothing to this and it is absurd on the face of it. I have documentary evidence which disproves this statement. I do not care to give the correspondence out at this time."

HAS EXPENDED OVER \$15,000

Terminal Railway Makes Report of Construction Cost—Council Proceedings.

That the Terminal Railway had expended \$15,494.91 in construction of its line within the city limits of Marshfield up to June 3 was the gist of a sworn statement filed with the council last evening by F. A. Laise, bookkeeper of the company. Mr. Laise said that this amount had been expended exclusive of expenditures for officers' salaries and attorney fees. A second statement by Rile Cavanaugh, constructing engineer of the company, stated that he knew that over \$10,000 had been expended by the company. The purpose of the statement was to show that the company had complied with its franchise which required that \$10,000 worth of work be done before the expiration of the first six months. It was also for the purpose of enabling the company to withdraw a certified check for \$10,000 guaranteeing the doing of this amount of work. The council enacted an ordinance instructing the City Recorder to return the certified check for \$10,000.

Common User Clause.

Councilman Coppel wanted to know what the company had done about accepting City Attorney Goss' "clinch" common user clause in place of the clause in the present franchise. City Recorder Butler stated that J. W. Bennett had informed him that C. A. Smith and Arno Meehan of the company had agreed to accept the new clause, but that he had not heard from W. S. Chandler or L. J. Simpson relative to the matter.

To Improve Building.

Councilman Coppel reported that A. H. Lewis had been complaining about the condition of the sewer leading from the Garfield block under the Sengstacken building to the main sewer. Inspector Tribbey said it was in bad shape and the health officer was instructed to have it remedied.

Complaint was also made about a porch extending over the walk in front of the Garfield building. Inspector Tribbey and Councilman Savage were instructed to see that it is torn away and made safe.

The council adjourned for one week when more street improvement matters will be taken up.

AMONG THE SICK

Mrs. W. J. La Palme of Eastside is reported quite ill at her home. Geo. W. Tribbey has been suffering from a severe attack of lumbago. Joe Malo of Beaver Hill who sustained a severe injury to his eye the other day is reported doing nicely at Mercy hospital. The eyeball will be saved and possibly some of the vision.

K. P. RECEPTION WELL ATTENDED

Many United in Welcome to Grand Lodge Officers Here Last Night.

Sixty-seven Knights of Pythias gathered around the festal board at the Odd Fellows' Hall last evening to welcome the Grand Lodge officers, F. T. Wrightman and L. R. Stinson, of Salem, at the reception tendered in their honor last evening by Myrtle Lodge, No. 3. The occasion was one of the most enjoyable functions that Coos Bay lodge circles have known in many years and reflected great credit upon the lodge and especially upon its presiding officer, Geo. F. Ross, chancellor commander.

Of the 67, 24 were visiting brothers, mostly from North Bend. Following the degree work in which the Esquire Rank was conferred upon Nell Watson and the rank of Page conferred on another candidate, the members retired to the banquet room where a sumptuous spread was enjoyed. J. W. Bennett presided as toastmaster and a dozen or so responded to impromptu toasts.

Among those responding were Grand Chancellor Wrightman, Grand Keeper of Records and Seals Stinson, F. A. Golden, T. T. Bennett, Edgar McDaniel and Mr. Christian. The social session did not close until about 2 o'clock. Messrs. Wrightman and Stinson left today for the Coquille valley where they will visit the lodges there. They will return here Thursday for their annual visit to Poseidon Lodge of North Bend which will tender another big reception.

TAFT FORCES CONTROL OHIO STATE CONVENTION TODAY

WILL NOT DROP FIGHT ON ROOT

Roosevelt Forces Decide to Try and Oust Senator As Temporary Chairman.

(By Associated Press to The Coos Bay Times.)

CHICAGO, Ill., June 4.—Colonel Roosevelt's determination to renew his fight on Senator Root for temporary chairman and to bend every effort to his defeat when the Republican National convention is opened June 18, caused general unrest today among the Republican leaders and National committee members who already have arrived for pre-convention work. It was apparent that the Roosevelt leaders in the west had expected no fight against Root's appointment, but Alexander H. Revelt and Edward Sims declared themselves in accord with Roosevelt. Victor Rosewater, of Omaha, acting chairman of the National committee, said the action of the subcommittee on arrangements in picking Root was final unless some members of the National committee demanded that it be revised by the full committee. It is said that an active Roosevelt man on the National committee may bring up for review the appointment of Root, but the committee, it is believed, will sustain Chairman New and his subcommittee, throwing the fight onto the floor of the convention.
