Marshfield, North Bend and Eastside Ball Teams Play In Valley Tomorrow.

The Coos Bay teams will play the Coquille valley teams at the latter's grounds tomorrow. A special train carrying the local teams and big delegations of fans will leave here at 8 o'clock in the morning. It is expected that upwards of three hundred people will accompany the three teams.

The Marshfield lineup tomorrow will probably be as follows:

Abbott, c; Sutton and Johnson, p; Landers, 1b; Briggs, 2b; McCutcheon and Henderson, 3b; Burke, ss; Woods, lf; Cowan, cf; Geo. Johnson, rf; Langworthy, utility.

Reynolds are now engaged in gathering and canning mussels on a small scale and will introduce them upon the markets of Portland. If the venture proves a success they will engage in the business in a permanent way and on a larger scale. It is to be hoped the enterprise will prove successful as the great beds of mussels along Curry's coast will bring thousands of dollars into Curry if a market can be found for them. —Gold Beach Globe.

MOTION PICTURE MAKING EXPOSED

LOCAL "HOUSE OF THE PHOTO-PLAY" SECURES NOVELTY PICTURE PRODUCTION.

Have you ever sat in the Orpheum Theater and wondered how the motion picture play is set, rehearsed and taken; what the film looks like, how it is handled and, moreover, in what mysterious way it is thrown on the screen in the theater? Have you ever wished that you could see a motion picture studio and the dressing of the set, the actual taking of the scene with the camera recording pictures at the rate of sixteen a second, how an actor makes up, how the film is developed, washed and, finally, how the various scenes are assembled into a complete picture? Have you ever wondered why a special motion picture had never been made showing you all of the complete details of this mysterious set of operations? The Orpheum Theater has secured a full reel production of all of the above operations, clearly shown, and same will be on exhibition at the theater Tuesday evening, starting at 7 o'clock. The price remains the same but everyone is advised to come early to be assured of a seat.
