Auto Accident—Dr. H. E. Burmeister of North Bend last evening met with an auto accident on North Front street that damaged his machine considerably. Owing to the rain, his machine skidded on the turn and broke a rear axle.

In Utah—O. S. Torrey has received a letter from his son-in-law, T. G. Loyland, stating that he has been employed for three years by a big smelter at Gardfield, Utah, just outside of Salt Lake City and near the famous Salt Air beach. The company has erected a cozy little home for them there.

Fine Strawberries—The Times acknowledges two boxes of the finest strawberries that ever brought joy to hungry mortal with their melting deliciousness. The berries in one box were so large that it required only about a dozen to fill the box. They were of the Marshall variety and came from the Cooley & Williams ranch at Flagstaff.

Goes to Europe—Col. Grimes today received a letter from his old friend, Dennis Flynn, of Oklahoma, stating that he would sail June 29 on the O-ran for Europe where he and his family will spend the summer. The balance of the family left June 14 on the Mauretania but Mr. Flynn remained over to attend the National Republican convention.

Here from Idaho—W. D. Vredenburg who recently disposed of his jewelry business in Shoshone, Idaho, left today for his home after spending a week on the Bay looking after property interests here. Italians Incensed—Joe Cineri and M. Mandulzi, two Italians from Portland, today appealed to local parties for aid in locating a man named D. Madonna. They claimed that a few weeks ago in Portland, a man claiming to be D. Madonna, a contractor, met them separately in Portland. He promised each of them a job at \$5 or promised each of them on the new Coos \$6 a day working on the new Coos Bay railroad. However, he wanted some ready money and borrowed \$150 from one of them and \$200 from the other. He sent them here

by steamer and said he was coming overland by auto. They have been unable to find any trace of him and think that they have been "flim-flammed." Cineri left today for Portland where he will try and locate Madonna. There formerly was a Madonna at North Bend and whether the stranger is impersonating him in the alleged graft game remains to be seen.

ARRESTED FOR DOG THEFT

Everitt Coleburg Taken to Jail for Stealing Canine.

Sheriff Gage left here this morning with Everitt Coleburg who is charged with stealing a Stanley hound belonging to Walter Sinclair of Coquille. Coleburg came to Marshfield last week and was about to leave for Sumner at the time of his arrest. He claims the dog was given to him at Coquille. He seems to have a mania for dogs and it is thought that someone on the streets, knowing his weakness might have told him he could have the canine with the result that he caught it and brought it here.

Last Friday, Coleburg attempted to steal a dog belonging to Mrs. Elizabeth Adams. He saw the dog on the street and followed it to Mrs. Adams' home. His attempts to catch the dog attracted the attention of Miss Mamie Mahoney who forced him to depart.
