Missourians Attack Bryan This Afternoon and Cause Riotous Scene.

WILSON IS PLEASED. (By Associated Press.) SEAGERT, N. J., July 1.—"That's the stuff," exclaimed Gov. Wilson when he heard the news that he passed Speaker Clark on the thirtieth ballot.

(By Associated Press to Coos Bay Times.)

BALTIMORE, Md., July 1.—Woodrow Wilson became the leading candidate for the presidential nomination before the Democratic National convention late this afternoon. He passed Champ Clark on the thirtieth ballot, getting 460 to 455 for the Speaker. Wilson had been gaining steadily and went into the lead amid a great demonstration by his adherents. On the thirtieth ballot the Vermont delegation dropped Foss of Massachusetts and went into the Wilson fold. Iowa, which was voting solidly for Clark, split 14 for Wilson and 12 for Clark. Progressive leaders had been canvassing the floor for an available man to break the deadlock in the event of a failure to nominate Wilson and seriously considered Representative A. M. Palmer of Pennsylvania.

After the thirtieth ballot showed Wilson in the lead, the Wilson forces were hopeful of success. It was reported that Illinois would soon go to Wilson, but many believed he would have difficulty in getting the necessary two-thirds to nominate.

Palmer has been an active worker in the progressive camp and has voted throughout for Wilson. He is a member of the ways and means committee of the House and the father of the economy resolution, which was passed when the Democrats gained control of that body.

It was reported today that Speaker Clark was in Baltimore, but did not appear in the convention hall. Mayor Preston, said to be Clark's host, who is also a delegate to the convention, did not appear in the convention nor at his office.

Bryan Storm Center. Bryan was the center of a riotous scene late today. The Missouri delegation attempted to carry the Clark banner in front of Bryan. He indignantly resented the move and three tried to reach the platform. A howling mob surrounded him pushing and demonstrating. Once he reached the platform, then returned and engaged in an angry altercation with members of the Missouri delegation. Then again he mounted the platform escorted by policemen. He stood pale, apparently deeply moved, while pandemonium reigned and the convention was in a frenzy of disorder. The Missouri banner was pushed forward to the platform and then thrown back by the opposing throng. Every delegation in the convention was shouting madly. Bryan from the platform arose to a question of personal privilege. Mayor Fitzgerald of Boston made a point of order against Bryan's speaking. The point was temporarily laid aside and Bryan proceeded.

Plan for Long Stay. Chairman James' announcement that the railway tickets of the southern delegates had been extended to July 10 brought shouts of laughter, indicating the possibility of a prolonged stay.

A heated controversy occurred over the vote. The poll showed Wilson thirteen, Clark six and one absent. The claim was made that the instructions of the Kansas convention required the full vote to be cast

Head of Contracting Firm Completes Trip—Will Probably Spend Several Days on Bay.

R. B. Porter of the firm of Porter Brothers, who have secured the contract for constructing about eighty miles of the Southern Pacific line between Coos Bay and Eugene, and Grant Smith, another big contractor, arrived here shortly before noon today. Their arrival was not heralded and they went to the Chandler for lunch and immediately afterwards left with A. H. Powers and E. W. Wright on a trip to North Inlet.

Mr. Porter's trip is for the purpose of making final arrangements to start construction on that part of the road and also to arrange to sublet some of the work. They expect to do a big share of the work themselves.

Just how long Mr. Porter will be on the Bay has not been ascertained.

BRYAN SCORED BY NEW YORKER

Bitter Attack on "Peerless Leader" Delivered This Morning.

(By Associated Press to Coos Bay Times.)

BALTIMORE, July 1.—One of the most scathing denunciations that has marked the National Convention in many years was delivered this morning when the National Democratic convention resumed its session. It was aimed at W. J. Bryan and John B. Stanchfield of New York was the speaker. It came when the poll was being taken for the twenty-seventh ballot.

New York's vote was polled and under the unit rule cast it for Clark. John B. Stanchfield, a New York delegate, spoke from the platform explaining his vote and championing New York as a decisive factor in democracy. Stanchfield declared that the integrity of New York's delegates had been impugned and insulted. Stanchfield denounced Bryan as that "money-grabbing, favor hunting and publicity hunting marplot from Nebraska." Stanchfield's bitter characterization of Bryan brought cheers and hisses. The speaker maintained the New York delegation was the ablest ever sent to a national convention.

"No man branded with Bryanism can come within half a mile of carrying New York," explained the speaker amid cheers. Stanchfield bitterly attacked Bryan as one of the plutocrats whose name should be linked with Morgan, Belmont and Ryan. "Any man," he shouted, "who has been wiring for pay from the Chicago convention should be excluded from this convention. Mr. Ryan is opposed to any candidate except Bryan." Stanchfield closed by announcing his vote for Wilson.

Watch for Couple.—Coos county officers have been asked to keep on the lookout for a stranger, going under the name of Gray, who abducted 19-year old Ethel Metcalf from her home at Oakland, near Roseburg, last week. Gray, which is supposed to be a fictitious name, is about 35 years old, 5 feet nine inches tall, weighs 165, is smooth shaven and has two fingers off his right hand. The girl has a small scar on her right cheek, has a light complexion, weighs about 130 and is five feet five inches tall.

CLARK ANGRY; DENIAL MADE

Interest at Baltimore Convention Centers in Strife—Denials Follow Clark's Visit to Baltimore.

HOUSE BOOSTS CLARK. (By Associated Press.) WASHINGTON, D. C., July 1.—An answer to the attacks on Speaker Clark at the Baltimore convention, the House adopted a resolution announcing its entire faith in its presiding officer.

(By Associated Press to the Coos Bay Times.)

BALTIMORE, July 1.—The hope of a nomination on the twenty-seventh ballot virtually was abandoned last night by the democratic leaders. When the National Democratic Convention adjourned for Sunday, it was believed some solution of the deadlock would result from conferences between the champions of three leading candidates but it developed that the time had not arrived for the withdrawal of any of them. The campaign managers might have reached an agreement if interest in the deadlock had not been dwarfed by the personal controversy between Bryan and Clark.

The visit of Clark to Baltimore and his arrival too late to attempt a vindication of himself before the convention overshadowed everything else as the subject of Sunday gossip. Party leaders generally took the position that notwithstanding the Missouriian's impassioned denial of Mr. Bryan's imputation, that he was beholden to Morgan Belmont and Ryan, he would be unable to regain the votes he had lost. At the time many of them thought the sympathy for Clark and the inevitable liking of Bryan and Wilson in the minds of delegates had injured the chance of Wilson's nomination.

Should Clark and Wilson fall on the next two or three ballots, it was predicted there would be a turn to Underwood who had held his normal vote from the first to the last. The Underwood forces are watching for just such a contingency. Genuine attempts at compromise are likely to be made if Wilson and Underwood should follow Clark upon the high wave of votes and still failed.

Friction between Clark's managers and the Missouri delegation is said to have been smoothed over. Clark's visit to Baltimore spurred his leaders to unusual activity. The speaker after a conference with Hearst, Francis, Dubois and others where a statement attacking Bryan was composed left early Sunday for Washington. Whether he will return and endeavor to address the convention in any way about Bryan is problematical. None in the confidence of Clark's managers would say anything about the speaker's intentions. The "Champ Clark advisory committee" met late Sunday and issued the following statement:

"The statements that Clark's supporters worked for Parker for temporary chairman are wholly untrue. Clark's support was divided between Parker and Bryan. It could not have been controlled either for Parker or Bryan and no effort was made to do so. No attempt was made in favor of or antagonistic to the interests of Bryan. There was no deal and no attempted combination of any sort."

The issuance of these denials, it was said, was to lay the foundation for a determined endeavor on the part of the Clark forces to check the gradual desertion from the speaker's strength and turn the tide again if possible.

Lively Time. The closing hours of the convention Saturday night were decidedly lively. The outbreak occurred just before the convention adjourned after the twenty-sixth ballot at 11:05 until 11 o'clock Monday. It started when Maryland switched its entire vote from Clark to Wilson. The Wilson parade was followed by a Clark parade. A big picture of Wilson labelled "Our Next President" stirred things up and when a woman carrying a Clark banner tried to reach the platform to wave it, a fight and near riot resulted.

Boys in Trouble.—Two small boys were arrested Saturday for stealing chitten bark from F. S. Dow, which was valued at about \$1.35. They were taken before Judge John F. Hall in Juvenile Court but as no complaint had been filed the case was dismissed. The lads stole the chitten bark and then tried to sell it again to Mr. Dow in different sacks.

BETWEEN 500 AND 600 DEAD AND INJURED AT REGINA, CAN.

Terrific Loss of Life and Property in Cyclone in Saskatchewan City.

DAMAGE IS ESTIMATED AT OVER \$10,000,000

Storm Struck Town Without Any Warning—Remove Bodies From Debris.

(By Associated Press to Coos Bay Times.)

WINNIPEG, Man., July 1.—According to meager reports received here Sunday, it was estimated that between 500 and 600 people were killed and injured in a terrific windstorm which wrecked Regina, Sask., late Saturday. The financial loss is estimated at \$10,000,000.

STORM WAS TERRIFIC

No Warning of Disaster Received—Number of Victims Unknown (By Associated Press to the Coos Bay Times.)

REGINA, Sask., (Canada) July 1.—The havoc caused by a cyclone which struck this city last night is appalling. Citizens aided by the police worked all night rescuing the injured and removing bodies of the dead from the ruins. It will be late today before the number of dead is known. So far fifty-one have been identified.

The storm lasted only a short time and swept through a comparatively narrow zone. The first intimation of the disaster received outside the zone was when three girls who escaped from a wrecked phone exchange and appeared at a newspaper office and told their experience.

Soon hundreds were at work rescuing the imprisoned and injured persons and taking out of the ruins of the ruined buildings the bodies of the dead. The electric light plant was put out of commission, retarding the work. The number of injured will run up into the scores.

The whole north side of the city was practically wiped out. The force of the wind is shown by the fact that a canoe was carried from Wascana lake to Victoria Park, a distance of three-quarters of a mile. Sailing vessels are strewn over the southern portion of the city. Yesterday was hot and many sought comfort in the parks. Many were out on the lake when the storm broke out. It is known that at least five were drowned. The property damage will run into the millions.

TOWN IS FIRESWEPT

Report Received at Minneapolis of Conflagration at Saskatoon. (By Associated Press to the Coos Bay Times.)

MINNEAPOLIS, July 1.—It is reported that Saskatoon was swept by fire this afternoon. The flames are said to be fanned by a gale. The water plant is useless. The wires are down as a result of yesterday's storm.

WORKS HITS AT TAFT VICTORY

California Senator Wants Investigation of Campaign Expenditures.

(By Associated Press to Coos Bay Times.)

WASHINGTON, July 1.—Senator Works of California, a progressive republican, in presenting in the Senate today a resolution for an investigation of the recent campaign contribute expenditures declared Taft's nomination was procured unjustly and illegally. California needed no new party, he said, and the republican party might better go down in defeat for the sins of its leaders and come up in four years hence, than form a new party.

HOT SHOT FOR ROOSEVELT

Mayor Seidel of Milwaukee Scores Former President (By Associated Press to Coos Bay Times.)

APPLETON, Wis., July 1.—Emil Seidel former Socialist mayor of Milwaukee, and candidate for vice-president on the National Socialist-Democratic ticket in an address here called Roosevelt a "fakir." He compared the Colonel with Lot and his family when they were driven out of Sodom and Lot's wife turned back and was turned into a pillar of salt. "Just so it was with Teddy. He says he will slash the trusts but he goes only so far and then turns back to favor them," said Seidel.
