YOU can just as well have a "sane 4th" as any other kind; the idea that the only way to celebrate the Day of Independence is by making all the noise possible, is beginning to lose its hold on the public. A quieter method is being approved pretty generally,

You can have a sane 3rd, or 2nd, 1st; or any other date, and show that you're sane, by coming in here on any day and asking us to fit you in a

New Home—Alfred Stora came in today to purchase the lumber for a new home which he will build above Allegany to replace the one which burned recently.
Wed Saturday Night—John Enlund and Miss Catherine Johanna Erickson were married Saturday evening by the Rev. B. F. Bengtson at his home. Mr. Enlund is employed at the C. A. Smith mill.
Move to Marshfield—S. J. Immel, of the Electric Shoe Store, is now a full fledged citizen of Marshfield, having removed his family to this city from North Bend. They occupy a residence on South Second street.
Down from Allegany—A large delegation from Allegany arrived on the Alert this morning to see the opening preparation for the celebration. Among them were Mr. and Mrs. John Michelbrink, Alfred Stora, W. H. Stull and Foy Cox.
Wed at Eugene—At the home of Lewis R. Miller, near Eugene, June 12, 1912, Trygve Martin Verde, of Coos county, and Miss Inger Caroline Miller, of Eugene, Rev. P. P. Thoreby, pastor of the Danish Lutheran church, officiating—Eugene Glard.
No Particulars—Coroner F. E. Wilson has not received any additional particulars concerning the death of the logger who was killed in the logging camp at Lampa Friday. A telephone message from Bandon gives the name of the victim as Anderson.
Interested in Nomination—Among the many who are watching the returns from Baltimore, none is doing so with greater interest than S. J. Immel. Mr. Immel enjoys a personal acquaintance with Champ Clark for whom he has a very high regard and he is hoping that he will be nominated.
Many Attend Wedding—Saturday evening at the Finnish hall, Richard Jacobson and Miss Ingrid Lowland were married, the Rev. B. F. Bengtson officiating. Between three and four hundred relatives and friends were in attendance, an elaborate feast being spread and dancing and other diversions being enjoyed.
Many from Lakeside—A large number arrived from Lakeside this morning including Milo Pierson, Emil Erickson, Charles Slestrom, Ray Vanberger and Jack Bowron. Milo Pierson says Lakeside is making extensive preparations for their celebration and expect a big time on the Fourth.

Meet Next Sunday—The council deacons and trustees of the Marshfield Swedish Lutheran church will meet next Sunday at 11 o'clock at the church. All members are urged to attend owing to business of importance coming up. The meeting last Saturday evening was adjourned until next Sunday.
Work on Pulp Mill—Walter Condron has a large crew of men at work loading gravel on the cars here, which is being shipped to Marshfield at the rate of an average of three cars a day. About five thousand yards will go over on this contract to be used in the foundation for the C. A. Smith company's pulp mill and electric power plant. Myrtle Point Enterprise.
For Charity Work—Mrs. Erickson, a Marshfield nurse, will endeavor to have Mayor Straw organize a Charity Board here to look after dependent cases. She says there are quite a few and that it isn't right for a

such an organization soon after the North Star disaster but nothing definite was done.
Plan for Port—A mass meeting was held yesterday at Ten Mile with a view to formulating plans for the improvement of the lakes and Ten Mile Creek. A voluntary association will be formed to carry on the work.
Petitions Complete—The petitions for the special election for the reorganization of the Port of Coos Bay have been completed and will be taken to Coquille for presentation to the Coos County Commissioners. The date for the special election is to be fixed at the regular meeting of the commissioners which will be held this week at Coquille.
Changes Business—The Roseburg Review says: "Ben Van DeCarr, well known in Roseburg, has quit the jewelry business at Medford to become a contractor for the Clark & Henry Construction Company. He has just obtained a gravel bitulithic paving contract for the company in Salem." Mr. Van DeCarr is a former Coos Bay man and Mrs. Van DeCarr is a daughter of Mrs. Kruse of Isthmus Inlet.
Has Narrow Escape—Ivy Condron narrowly averted an accident this morning when he cranked his automobile when it was thrown in on the reverse gear. The machine started to back up but he managed to get in at the wheel before it had time to do any damage. Had it been thrown ahead it would have run over him and the result would probably have been serious. Mrs. Condron was in the machine at the time.
Hears Motion—Judge J. S. Coke Saturday heard a motion to set aside a decree heretofore rendered, in the case of the East Marshfield Land Co. vs. Anthony A. Werley and others. The present term is nearly completed as there are only a few small matters left to clear the calendar. Tuesday Judge Coke will hold court at Coquille to hear a Bandon case and after that he expects to get matters in such shape that he can enjoy a short vacation.
Scare Burglar—Saturday Night about 11 o'clock, Tom Hall was aroused by a noise on his front porch. He thought that possibly it was his brother, John. He stuck his head out of the window and called and instantly the would-be intruder took to his heels and the way he made his get-away made Tom think that he was practicing for the hundred yard dash. This makes the third or fourth scare that West Marshfield people have had within a few months.
Had Fine Trip—The Marshfield Motorcycle club yesterday following the ball games at North Bend had a delightful trip to South Slough where they had a big feast of crab and clam chowder. A few had trouble in the soft sand, being thrown from their wheels. When they returned to Marshfield, Ross Smith took the party to his home where another big spread was enjoyed. Those in the party were Joe Williams, Jas. Wall, George Parker, Wm. Haglund, W. N. Ekblad, Ross Smith and Peter Johnson, Jr.
Admits Wedding—Roy Blecker left today for San Francisco where he expects to locate, having given up his position with the Smith-Powers Logging company. Before leaving, he admitted to friends that he and Miss Edna Stanley were married in Portland last week, as was reported in The Times. He said that they had tried to keep it secret for the time being but the news got out. His wife will join him in San Francisco and their many Coos Bay friends will unite in extending best wishes.

Is Injured—Mike Burke met with an accident while returning from the game yesterday. He tried to jump from a machine while it was running and fell cutting his hand. For a while it was thought the wound might prove serious but later developments showed that it was not as bad as at first anticipated. Mike expects to be able to play ball Thursday in the big game between Bandon and Marshfield and thinks his hand will be in fit shape. He was lucky to come out of the accident with nothing more serious than an injured hand.
Is Injured—Fred Catherall, first assistant engineer of the Nann Smith, was quite severely injured by getting his foot caught in one of the dynamos. He was taken to a hospital in San Francisco for treatment. An examination of his injuries had not been made but it is not believed that the injuries consist of other than a severe dislocation. Mr. Catherall and Miss May Stauff were to have been married July 10 at San Francisco and whether the accident will cause a postponement of the nuptials has not been learned here.
PRESERVE your ROOF. Have it COATED. J. L. BRICK, Box 220.
