LAURIER AN IMPOSTOR

Fiance of Former Coos Bay Girl at San Francisco Had One

The San Francisco Bulletin prints the following as the latest development in the matrimonial disappointment of Miss Margaret Foulke, a former Coos Bay girl, in that city:

"A personal letter from Wilfred Laurier, former premier of the Canadian government, has set at rest any lingering doubts as to whether the 'C. H. Laurier,' who recently posed here as the distinguished Canadian's nephew, was what he pretended to be. Sir Wilfred, in a letter to Roy M. Cunningham of 19 Baker street, written in response to the subject, says that the young man is no relation of his. Laurier has not been seen since July 2, the day on which he was to have married Miss Margaret Foulke, and he is being sought on a warrant sworn out by J. A. Walker of the Argonaut Hotel on the charge of passing a worthless check for \$535."

For Tired Women**

SAVES TIME AND LABOR

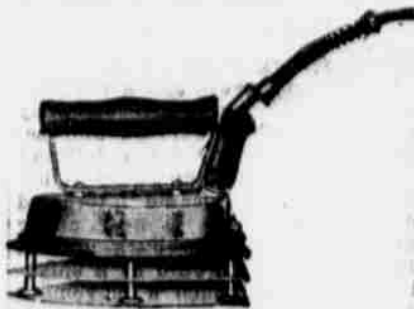

A tonic does not always remove the cause of that "tired feeling."

Frequently women have to work so hard that a tonic does not have any effect.

One of the causes of a woman's weariness is the weekly ironing—by old-fashioned methods.

The modern way—with an Electric flat iron—eliminates hard labor and makes Tuesday a day of pleasure.
