OUR WATERFRONT

SUFFICIENT wharfage space and a presentable waterfront would be the result of a measure which is now being considered by the city council and which if carried through would certainly add greatly to the appearance of the city as well as to its commercial convenience.

OUR UNNOTICED HEROES.

ONE kind of heroism is displayed every summer by many teachers. No calling has more right to a vacation, but they give up most of the holiday relaxation and summon courage to go to the summer school.

SUPERFLUOUS MEN.

This world would be better, I wist, and life would be sweeter, I wot, if the fellow who carries a gist of stories as ancient as Lot, would suffer a memory lapse and never more money around to worry industrious chaps with antediluvian sound.

BROUGHT BRIDE WITH HIM

The Eureka Herald prints the following concerning Marshfield's new baseball pitcher: "Aloysius Coyne, better known to fandom as "Shorty" became a benedict in this city this morning and this afternoon departed for Marshfield with his bride, who was Miss Edith Haley of Grizzly Bluff.
