THE JOKE.

I know it is foolish, I know it's unkind,
I know that such humor is never refined.
I know I should help, and not chuckle and grin,
When I see what a fix the poor mortal is in.
Yet I cannot stop laughing—and loudly at that—
To watch any fellow go chasing his hat.

When an up-to-date straw blows away on the breeze,
Or rolls up the street with remarkable ease,
Impelled by the force of the rollicking gale,
And the owner comes breathlessly—hot on its trail—
And reaches and stumbles and—crushes it flat,
I just HAVE to laugh at the man and his hat.

I guess it is part of the nature of men
To grin at the woes that we see now and then;
So laugh, if you will—but when things go askew,
Don't blame fellow mortals for chuckling at you.
Keep your temper in leash and don't go to the mat
With the fellow who laughs when you're chasing your hat!
—BERTON BARLEY.

North Bend	8	1	.889

Eastside	0	9	.000

The baseball excursion train for the Coquille Valley leaves here tomorrow morning at 8 o'clock and a large crowd will accompany the teams. Marshfield goes to Bandon and it will be the last baseball excursion run to that place this year, as Bandon drops out of the league after the game.

The protested game between North Bend and Coquille will be decided and the plans for continuing the season will be discussed. Marshfield and North Bend are in favor of playing ten more games, as the season so far has been fairly successful. Bandon and Eastside will drop out, but it is believed that Coquille and Myrtle Point will remain in, rather than break up the league.

Manager Schott is making arrangements for a game between Crescent City and Marshfield to be played there during the big carnival which is to be held from August 26 to 31.

The line-up in tomorrow's game will be the same as last Sunday, but there will be a few changes in the batting order. Ed Howatt will umpire at Bandon.

SPORTING NOTES.

Portland is sure ripping things with the poor Senators.

Surback, of the North Bend team, is a good slugger. He would have proved a very valuable man earlier in the season.

Harlem Tommy Murphy and Willis Richie will probably hook up on August 3, the battle to take place in Frisco.

Mike Burke says he will boost his batting average in Sunday's game. Watch him.

Sweden won the Olympic games by four points with America second. Sweden's total was 133 points. America did not enter the yachting competition in which Sweden took points.

There is a probability of Hap Smith joining the Coquille team, so it is reported. Smith playing here before breaking into major league company.

Ty Cobb is only batting .406 and is third in base stealing. Maybe he will get his release some one of these days if he doesn't improve.

And Shorty Coyne is a married man. Who would have thought it.

Vernon has captured 17 out of 24 games with Portland.

Braun won from Meredith in the 800 meter race in Germany. The German's time was 1:54 and 7-10, while Meredith negotiated the distance in 1:51 and 9-10 at Stockholm.

Speed Woods will remain at the head of the batting order in tomorrow's game. Capt. McCutcheon will drop down a couple of places and put Coyne in on the clean-up.

Craig may do the twirling for North Bend tomorrow.

The season will probably be continued for another ten games. The fans are just beginning to get interested.

Wolgaat will quit fighting until he regains his strength.

Capt. McCutcheon injured his hand in practice last night but will be in the game tomorrow nevertheless.

Thomas is doing fine work behind the bat. He has a good head and lots of speed.

Bud Anderson won the last six fights he has been in and there is a possibility of a match between him and Danny O'Brien. Both fighters are well known in Marshfield, having fought here.
