Easy to Get Relief From Indigestion

Your stomach should digest the food you eat, without the aid of any artificial digestives. If it won't do that, then you are continually subject to dyspepsia, indigestion, heartburn, headache and constipation. Instead of taking digestive medicines, buy Jayne's Tonic Vermifuge and it will restore your stomach and fastness so that they will attend to their natural functions, digesting what you eat and giving strength to the body.

For more than eighty years thousands of men and women who had suffered the pains caused by dyspepsia and indigestion have been praising this Tonic as the only remedy which brought them permanent relief. As the Tonic acts directly upon the stomach and intestines, it is a natural appetizer and strength builder. Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. J. Jayne & Son, Philadelphia, Pa.
