## SOCIAL CALENDAR

**TODAY**  
Priscilla Club with Mrs. Henry Olson at Bunker Hill.

Mr. Waite said he expected to be back in Marshfield again before long.

**Services at Summer**—Rev. A. F. Bassford will hold services at Summer next Friday evening. Mr. Bassford is from Corvallis and has been temporarily filling the pulpit of the Marshfield Baptist church. Tomorrow night and Sunday morning and evening he will preach at the church in this city.

**Buy Back Again**—Yesterday, W. F. Harmon bought H. C. Miller's cleaning and pressing establishment on Front street and last evening Mr. Miller started for Corvallis on account of the illness of his mother but when he reached Myrtle Point he found it would not be necessary for him to go and so is returning to the Bay.

**Funeral Saturday**—The funeral of George Parker, who died Monday as a result of injuries sustained in a motorcycle accident, will be held Saturday morning at 9:30 from St. Monica's church, the Rev. Father Springer officiating. Two brothers of the deceased, Randolph Parker and Wooten Parker, will arrive here from Everson, Wash., on this evening's stage.

**Close Deal**—F. B. Waite has closed the deal for the purchase of the lot just south of the new Coke building from the Fiske Town Lot company. The lot is 50x100 feet and the price was \$8,500. The deal was closed through the I. S. Kaufman agency who represented the Fiske Town Lot company, the principal figure in which is F. A. Warner, son-in-law of C. A. Smith.

**Injured Today**—Chas. Frodelius while riding his motorcycle down Broadway this morning encountered a dog. His wheel was upset and he was thrown against a telephone pole, badly bruising himself. After he had secured some ointment for his bruises at the Owl Pharmacy he declared that he thought he was mighty lucky to escape alive.

**Grade Corner**—Part of the big embankment on the Cordes property at the corner of Commercial and Broadway is being graded away today, the dirt being used to fill some of the streets in the Market avenue district. The Federal Construction company, which has the contract, has arranged to take about two hundred loads of the dirt which will probably prevent the part of the lot from caving into the street, by sloping the embankment.

**Prepare for Races**—Bradshaw and Kimball are overhauling the speed boat Coos Bay which is now held by a syndicate of Coos Bay men with a view to getting her in shape to compete in some of the northern races, the regatta at Astoria or the Puget Sound contests. It is claimed that the principal trouble with the Coos Bay has been in its engines and Mr. Bradshaw, who is rated as one of the best gas engine men on the coast, may be able to overcome this.

**Must Serve Term**—A. Gustafson must serve a term of four years in the penitentiary because he broke his parole. Some months ago he was arrested for robbing a man and was tried before Justice Pennock. He was found guilty and bound over to await the action of the grand jury. When tried in the circuit court he was found guilty and sentenced to the penitentiary but was paroled during good behavior. For a time he did very well, working on a farm and staying away from the city. One of the conditions of the parole was that Gustafson not drink. Lately it was found he was getting drunk and this action breaks the parole and the man must go to the penitentiary.
