Work on Mine-Pat Hennessey is making good progress on the new mine on Isthmus Inlet. He has taken one of the old Smith-Powers geared engines from Catching Inlet

for developing the mine. Horse Runs Away-A delivery horse of the Coos Bay Steam Laundry ran away yesterday, running from the O'Connell place at Kittyville to the Ferndale store. However, there was no damage done.

Leave Today-Among the outgoing passengers on the Allegany-Drain auto line today were the following: . H. Callender, M. F. Hoff, G. Engle, J. Alberts, F. Sund, S. H. Donning, C. B. McIntyre, H. C. Kennen and H. B. Coe.

Painting Business Good-C. W. Viers who is a contracting painter says that he never saw more work in his line in Marshfield than there is at the present time. He says that he has more work than he can secure help to carry out.

Away for Winter-Dr. and Mrs. J. T. McCormac are planning to spend the winter at Berkeley, Calif., and other southern California points. They may take apartments at Ber keley so that their son, Fred, who is to enter school there next year, can stay with them. Mrs. McCormac expects to leave for there next week.

Will Leave Thursday-Wm, Hors man and bride and Claude Stutsman and wife expect to leave Thursday on their motor trip to California They are having their machine over hauled fully for the trip. There was no breakdown, the machine merely needing overhauling and also some repairs where the failure of Mr. Horsman to keep it oiled caused the parts to wear out.

Enlarge Business-Fourier Bros have decided to add a fish department to their meat market on North Front street. They have been handling fish in conjunction with their meat business in North Bend and find it a decided convenience to WANTED—Carpenter finisher A 1 customers fresh and salt fish and plan to have their own fishing boats so that they will be able to supply all kinds of

fish in season. Wife Dead-Word has just been received here of the death of Mrs Geo. M. Reeves at Deadwod, S. D. She was well known to a number of Coos Bay people who formerly lived there. Death followed an operation. When she was taken ill, Mr. Reeves was here to visit F. A. Haines and was looking over this section with a view to locating here for the benefit of his health. He left at once for home and reached there just two

days before Mrs. Reeves expired. Injuries Finger-Marshal Carter is suffering from a painful injury to his finger as a result of being overly ambitious. Mrs. Carter and the chiliren have been visiting at or near Roseburg and Mr. Carter thought to get everything spick and span for their return. So he arose early this morning and started to operate the washing machine. He got his finger in the cogs and nearly took the end off it, necessitating a visit to a doctor and then he sent the washing to the laundry.

Few Carpenters-Carpenters are very scarce and cannot hardly be obtained and as a result many are having difficulty in getting repair work done. Geo. Rotnor of the Woolen Mill Store is among the latest to suffer from the shortage and yesterday when the threatened to be tied up in the remodeling of the Woolen Mill Store, Mr. Rotnor grabbed a hammer and pails and a saw and went to work. He astounded onlookers by his ability in that direction and succeed in getting the rush part of the carpentering done so that the plasterers could go ahead.
