

# WILL CLOSE ON SUNDAYS

### New Order Received From Department by Postmaster Curtis of Marshfield.

The following order regarding the closing of the post office on Sunday has been received by Postmaster Curtis:

Postmaster:  
Sir:

The post office appropriation act for the fiscal year ending June 30, 1913, provides:

"That hereafter post offices of the first and second classes shall not be open on Sundays for the purpose of delivering mail to the general public, but this provision shall not prevent the prompt delivery of special delivery mail."

Under this law you will close the general delivery, carriers' windows, and lock boxes and discontinue all deliveries by carriers on Sunday. You will note, however, that special delivery mail is excepted and you will therefore arrange to have on duty a sufficient force to handle this mail matter promptly.

The Department desires to reduce Sunday work to the minimum so that as many of the employees as possible may enjoy a complete day of rest on Sunday. You should, therefore, require only a sufficient number of clerks to report for duty on that day in order that transit mail and the mail collected for dispatch may be handled without delay. If no mail is dispatched on Sunday a very early collection should be made on Monday morning and the mail for local delivery distributed before the carriers leave for their first trip.

Respectfully,  
C. P. GARFIELD,  
First Assistant Postmaster General.

# PEOPLE HELP ROAD PLAN

### Citizens of North Bend Will Give \$600 for Water-front Drive.

Prospects for securing the water front road all the way from Marshfield to North Bend are good. WILL SEND HELP.  
(By Associated Press to Coos Bay Times.)

WASHINGTON, D. C., Aug. 30.—It will probably be necessary for Admiral Southerland to dispatch a relief expedition to Matagalapa. The town is very difficult of access. British interests there are centered largely in the mines. About 125 Americans are believed to reside on the coffee plantations and work in the mines of that neighborhood.

# FRECKLES

Don't Hide Them With a Veil; Remove Them With the New Drug.

An eminent skin specialist recently discovered a new drug, othine--double strength, which is so uniformly successful in removing freckles and giving a clear, beautiful complexion that it is sold by any first class druggist under an absolute guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first night's use will show a wonderful improvement, some of the lighter freckles vanishing entirely. It is absolutely harmless, and cannot injure the most tender skin.

Be sure to ask for the double strength othine; it is this that is sold on the money back guarantee.

# WILL TRY TO KEEP DREDGE

(Continued from Page One.)

harbor can profit. The difference between dredging by contract and by having the government dredge here, would be, if the work was kept up in the future at the same rate as now, about \$2,000 a month. In giving \$10,000, the sum of \$4,000 moving cost would be saved leaving this port \$6,000 expenses for keeping the dredge here but with a saving of \$2,000 a month this would be wiped out in three months.

In other words if the government dredge will save \$2,000 a month it will save \$24,000 in a year over the cost of dredging by contract. Then there would be an additional saving of \$4,000 moving cost, in all a saving of \$28,000 and for this Coos Bay is willing to pay \$10,000 to keep the dredge here. This would make a net saving in the year of \$18,000 if this arrangement could be carried out.

Moreover if the dredge was taken away it is feared that it might never come back here. It possibly might not stand many more sea voyages or something else might turn up which would prevent it being brought back here next summer.

The plan will be thoroughly explained to Major Morrow and will be decided definitely one way or the other.

**Capt. Maegenn Plan**  
Capt. Maegenn of the Breakwater in his talk dwelt principally on the program that should be adopted for improving the harbor. He said that the government should be asked to restore the old jetty to where it was originally built and put in the track and plant. Then, he said, the Port of Coos Bay should offer to put up dollar for dollar with the government for extending the jetty to the necessary length and also put up dollar for dollar with the government for improving the inner channel and keeping it in good shape.

# Easy to Get Relief From Indigestion

Your stomach should digest the food you eat, without the aid of any artificial digestives. If it won't do that, then you are continually subject to dyspepsia, indigestion, heartburn, headaches and constipation. Instead of taking digestive medicines, take steps to get your stomach and intestines again in a healthy, natural condition. Jayne's Tonic Vermifuge will do this for you if you will take it regularly. It is not a digester of foods, but it will restore your stomach and intestines so that they will attend to their natural functions, digesting what you eat and giving strength to the body.

For more than eighty years thousands of men and women who had suffered the pains caused by dyspepsia and indigestion have been praising this Tonic as the only remedy which brought them permanent relief. As the Tonic acts directly upon the stomach and intestines, it is a natural appetizer and strength builder.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. J. Jayne & Son, Philadelphia, Pa.
