Canvass Election.—Judge Hall will go to Coquille tomorrow to hold the regular session of county court. The canvassing of the returns of the Port of Coos Bay election and some private matters will come up.

Bicycle Stolen.—Some one stole Lee Byerly's Dayton bicycle from the rear of The Toggery building last night. Whether they just took it as a joke has not been determined yet, but unless the wheel is returned soon it may go hard on some one.

Fine New Front.—Manager Birch of the Red Cross has arranged with the Merchant Estate to put in a new front in the Red Cross building. It will be strictly modern and will add greatly to the appearance and convenience of the store. A show window will be put in on the side of the building also.

Marshfield Beaten.—Marshfield was defeated by North Bend at North Bend yesterday by a score of five to three. The Marshfield team was a picked up one. Foote pitched for Marshfield and Hull pitched for North Bend. About 100 saw the game. It was probably the last game of the season.

Fine Dance.—About seventy-five couples enjoyed the dance at the Eagles' hall by Keyzer's orchestra Saturday night. It was one of the most enjoyable of the series, the next of which will be given a week from next Saturday night. Next Saturday night the Coos Bay Concert Band will give a dance in the hall.

Killed Big Deer.—Fred Weaver returned Saturday night from his outing at Dora. He and the Howe boys killed four deer, one a five pointer. Fred says the five pointer was the biggest deer he ever saw and for a time he thought it was an elk and would not shoot the big fellow. He wounded it twice. He had some fine fishing. He has practically recovered from a severe attack of poison oak.

AT THE THEATER.

There will be a large audience on hand tonight at the Masonic Opera House to welcome Lee Willard and his company. The seat sale has been excellent. It is opportune that Marshfield should have a first class attraction in the city in order to help entertain the many visitors now in the city. The very best of reports have come from other places where this company has played. "The Battle of Life" is the play for tonight. It's a clean homespun comedy that will make everybody happier for living. The company are registered at the Chandler—six gentlemen and five ladies.
