# APPENDICITIS

Cured Without Operation. Here is Sworn Proof!

STATE OF MINNESOTA, ss. COUNTY OF STEELE, ss. I, Richard J. Ahrens, of Owatonna, Minn., being first duly sworn, do hereby certify that I am the person named in and who subscribed the following statement and the same is true of my own knowledge, in every particular: "I had severe pains in my right side, just above the Appendix. I went to the doctor and he pronounced my case Appendicitis and advised an operation. Instead I went to Zamboni Bros., Drug Store and bought a bottle of (Adler-I-ka) Treatment. After taking it the result was indeed wonderful. The pains stopped and I felt like a new man. I heartily recommend (Adler-I-ka) Treatment to anyone troubled with Appendicitis, as I know it has cured me." (Signed) RICHARD H. JAHREISS, J. NEWSALT, Notary Public, Steele County.

Appendicitis is becoming worse and worse, and everyone should know of this wonderfully successful treatment. A valuable book, showing many pictures of that curious and little known organ, the human Appendix, and telling how Appendicitis is caused, how it can be treated without operation, and how you can easily guard yourself against it, will be given FREE to anyone calling at our store.
