

## AUTO SUPPLIES TO BE CARRIED

**GEORGE GOODRUM ADDS NEW DEPARTMENT TO GARAGE FOR BENEFIT OF COOS COUNTY AUTOISTS.**

George Goodrum is just completing rearranging his garage and putting in a complete line of auto supplies. He will have a new office in the quarters formerly occupied by the O'Kelly waiting rooms and in connection with it will have a warehouse room filled with supplies and parts.

Mr. Goodrum has arranged to carry a full line of parts for the Cadillac, for which he is agent, and which will be a great convenience to Cadillac owners in this section of the state, as it will eliminate delays in case of accidents to machines.

His line of auto supplies will also be very complete and include all the minor parts that will be suitable to all makes of autos. He will also carry a large line of tires.

The new departments in connection with the repair shop that he maintains in connection with the garage and which is in charge of Mr. Steele, one of the best auto mechanics on the coast, will be a decided boon to autoists in this section.

Mr. Goodrum would like to have all the auto owners in this section drop in and see the new shop and make suggestions as it is his desire to make it as convenient and advantageous as possible to the Coos county car owners.

## GRAY HAIRS QUICKLY VANISH

**A Harmless Remedy, Made From Garden Sage, Restores Color to Gray Hair.**

A feeling of sadness accompanies the discovery of the first gray hairs which unfortunately are looked upon as heralds of advancing age. Gray hair, however, handsome as it may be, makes a person look old. We all know the advantages of being young. Aside from the good impression a youthful appearance makes on others, simply knowing that you are "looking fit" gives one courage to undertake and accomplish things. So why suffer the handicap of looking old on account of gray hairs, when a simple remedy will give your hair youthful color and beauty in a few days' time?

Most people know that common garden sage acts as a color restorer and scalp tonic as well. Our grandmothers used a "Sage Tea" for keeping their hair dark, soft and luxuriant. In Wyeth's Sage and Sulphur Hair Remedy we have an ideal preparation of Sage combined with Sulphur and other valuable remedies for dandruff, itching scalp and thin, weak hair, that is split at the ends or constantly coming out. A few applications of this valuable remedy will bring back the color, and in a short time it will remove every trace of dandruff and greatly improve the growth and appearance of the hair.

Get a fifty-cent bottle from your druggist today, and notice the difference in your hair after a few days' treatment. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.
