# WASHINGTON IN THE BAY

The steamer Washington arrived today from San Francisco with passengers and freight. She will sail again Saturday afternoon from North Bend.

# NATURAL COLOR TO GRAY HAIR

By Common Garden Sage, Simple Remedy for Dandruff, Falling, Faded Gray Hair.

The old idea of using Sage for darkening the hair is again coming in vogue. Our grandmothers had dark, glossy hair at seventy-five, while our mothers are gray before they are fifty. Our grandmothers kept their hair soft and glossy with a "Sage Tea," which also restored the natural color.

One objection to using such a preparation was the trouble of making it. This objection has been overcome by the Wyeth Chemical Company of New York, who has placed on the market a superior preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp and thin, weak, falling hair.

The beauty of the hair depends more on its rich, even shading than anything else. Don't have dry, harsh, faded hair, when a simple harmless remedy will bring back the color in a few days, and don't be tormented with dandruff, itching scalp and loose, falling hairs. Wyeth's Sage and Sulphur Hair Remedy will quickly correct these troubles and give color, strength and beauty to your hair.

Get a fifty cent bottle from your druggist today, and prove this to your own satisfaction. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.

# BREAKWATER LEAVES TODAY

The departure of Dr. Schenck and the students of the Biltmore Forestry School was the chief feature of the sailing of the steamer Breakwater this afternoon at 1 o'clock. # GREAT TREAT AT THE MASONIC THEATER.

The Masonic Theater on Saturday September 21, has a real treat for its patrons. With the characteristic enterprise for which Mr. Keller is noted, it has secured "The Coming of Columbus," in three reels, lately released by the Selig Polyscope Co. as a special, under the exclusive control of the General Film Co. The special arrangement thus made gave the management of our leading local motion picture theater an opportunity it has long waited for to exhibit the greatest film of the century. The most critical cannot fail to be delighted with this magnificent production, which really takes rank with the great achievements of art. No one should fail to visit the Masonic theater and see what strides motion pictures have made in depicting great historical events.

Seats are on sale at "The Busy Corner" and Orpheum theater. The entire lower floor will be sold out at 20c, all being reserved. Balcony 10c. Last show will not start before 10 o'clock.
