**Lease Garage.**—The Simpson Lumber Co., has this week leased to Gorst & King for a term of five years the building known as the North Bend Furniture factory erected several years ago for the purpose of manufacturing furniture. Not being able to secure proper management the building and machinery have not been used for three or four years. Messrs. Goarst and King have taken a lease on the building of sufficient length to warrant fixing it up the way they want it, and will convert it into a modern garage. They will not only have a repair shop and take care of their own cars but will be in shape to store machines for others and also do repairing. They take possession at once.—Coos Bay Harbor.
