The Cooking Ware That Lasts a Generation

"Wear-Ever" Aluminum Cooking Utensils are the kind that give you every satisfaction. Safety, Economy, Durability, Freedom from Worry.

You can cook the most delicate and easily scorched food in aluminum utensils with less fear of burning than in any other kind, because aluminum is a better distributor of heat and retains it longer.

This means a saving in fuel. And it means a saving in wear-and-tear expense, too.

"Wear-Ever" aluminum cooking utensils are strong, light to handle and easy to clean. They resist fire wear—you can let food boil dry in them without injuring the utensils. They are practically everlasting.

"Wear-Ever" utensils cannot rust, cannot form poisonous compounds with fruit acids or foods. They are made from thick, hard sheet aluminum, 99% pure, without seams, joints or solder.

Replace utensils that wear out with utensils that "Wear-Ever."

Entertained.—The Christian Women's Board of Missions is being entertained this afternoon by Mrs. J. E. Jones at the home of Mrs. R. A. Cople.

Will Meet.—The A. N. W. club will meet Thursday afternoon with Mrs. E. Mings, at her home in West Marshfield.

Will Entertain B. Y. P.—The Baptist Young People's Union will be entertained at the home of Mrs. George Ayre on South Ninth street, next Friday evening.

Will Meet.—The Ladies' Aid society of the Swedish Lutheran church will meet next Wednesday at 2 p. m. in the Swedish hall. Mrs. Sanguist will be hostess and refreshments and a good time are promised.

Presents Gift.—In appreciation of a kindness, Capt. Macgenn's little daughter, Isabelle, presented Mrs. C. A. Metlin of this city with a beautiful string of rose beads of which Mrs. Metlin is more than proud, as the little girl made them from the roses plucked in her mother's yard.

Got Quick Results.—E. W. Steele yesterday found the value of a want ad in The Times. He lost a photographic film and advertised for it in The Times. Mrs. E. S. Barzee of North Bend found the film and last night read the advertisement and returned the property to the owner.

Literary Society Program.—The Marshfield High School Literary society will give a program, the chief feature of which will be a debate, next Thursday evening, at the High school building. The subject for debate is: "Resolved: That a round roast is more conducive to the comfort and happiness of a chicken than a square roast."

Notice to Ladies of Marshfield.

To the ladies of Marshfield who are interested in the advanced cookery class, there will be a meeting Wednesday afternoon, October 2, at 3:30 o'clock at the Marshfield High school building, to determine the day on which the class is to meet and also the subjects to be taken up. The number in the class will be limited, so all wishing to enter are urged to be present tomorrow afternoon.—Miss Moore, domestic science instructor.

Elks Will Meet.—An important meeting of the Elks will be held Wednesday evening. All members are urged to be present.

Mill Shuts Down.—The McDonald saw mill at Loon Lake has shut down for the winter and the crew came to Marshfield this morning.

Auto Quits.—On account of the rain, the autos have been unable to make the trip from Allegany to Drain, the last two or three days. It is probable that they will make the run again in a day or two.

Visit Loon Lake.—Herman Edwards, captain of the Steamer Rainbow, E. W. Steele of Goodrum's garage, and Ray Campbell, one of the drivers of the Drain-Allegany auto route, spent Sunday at Loon Lake. They report that fishing is extremely good and also that in their estimation Loon Lake is one of the most beautiful spots on earth.

F. E. Allen Home.—Councilman F. E. Allen has returned home from a business trip to Portland. He also attended the convocation of the grand commandry Knights Templar of Oregon, which was held at Eugene. He says the announcement that the next convocation would be in Marshfield was a mistake. The delegates wanted to come here but thought it would be best to wait until there is a railroad to the place. Albany was chosen as the next meeting place. Mr. Allen returned home by way of the Siuslaw. He says the railroad work is active from Eugene to Mapleton but that there is little doing around Gardiner or south of the Siuslaw.

Joke on Life Saver.—Two young ladies from Marshfield were at South Slough fishing. One of the members of the life saving crew thought to have some fun with the young ladies so he tied a big pall to the back of their boat. This did not interfere with their fishing, as they caught more than anyone else did that day. When they discovered that the life saver had fastened the pall to drag after their boat they sought to get even and finding a large cart wheel tied it to the life saver's row boat in such a way that it would not show. The life saver found rowing back to the station one of the hardest tasks he had undertaken in some time and not until he had landed at the station did he discover why the pulling was so hard and that the young ladies had turned the joke on him.

BOY NOT IN DANGER.
Reported Today That Alfred Sturdivant Is Not Seriously Hurt.
It is reported today that Alfred Sturdivant, the boy who had a fight with Dewey Stutsman, and had his jaw broken, is not in danger. His jaw was broken, but today it is stated that there is no danger apparently of any serious results.

Does Advertising Pay?
I have been asked this question many times, sometimes even sneeringly.
Live, Honest Advertising Always Pays.
Interesting Advertisements Are Always Read.
Let us put LIFE into our ads and make the advertising columns as interesting as the news columns.
It Will Pay Us All
"Life is real! Life is earnest" was not written about advertising, but we can put "life" and "earnestness" into our ads and make them "thrill" and PAY.
I have used more advertising space in proportion to my business than any other merchant ever used in Marshfield.
I have obtained results which many never believed possible.
I have never made an untruthful or exaggerated statement in my advertising.
That's Why It Paid
I have sold 65 DAYTON BICYCLES SINCE DEC. 23, 1911.
I have made good without question any defective part shown me.
I have sold the best bicycle ever offered in Marshfield for the price.
Do you know of one buckled frame in sixty DAYTON BICYCLES? No!
Can you stop six bicycles of any other make without finding one buckled frame? No!
That's why I sell so many DAYTON bicycles.
We are now selling bicycles at very low prices.
