## A Heavy Weight Guaranteed Blue Serge Suit at \$18.50

### The Masterpiece of Clothcraft Scientific Tailoring

**JUST** to show how good a blue serge suit could be made at a medium price, the makers first produced 4130 a year ago. It proved the biggest seller they ever had, because it was easily the best value in blue serge ever offered at the price.

This Fall, it's even better. In fact, it's the Masterpiece of Clothcraft Scientific Tailoring. While not the highest priced suit in the Clothcraft line, it's easily the best that ever bore the Clothcraft Label and Guarantee.

By producing this suit in large quantities, the makers have been able to put in it a better serge than would otherwise be possible at the price. In fabric, fit, fashion and finish, 4130 is an exceptional suit. It's guaranteed all-wool, fast and full color, full weight. Guaranteed also to hold shape and give absolute satisfaction in wear and service.

We quickly foresaw the popularity of this Clothcraft Blue Serge Special for Fall, and we've prepared for a big demand.

Before you decide on your Fall suit, come in and see The Clothcraft Blue Serge Special No. 4130. Examine the cloth and the tailoring. Try it on and notice the style and fit. If you don't decide it's the best \$18.50 worth you ever saw, you can't buy it.

We sell and guarantee No. 4130, Clothcraft Blue Serge Special, \$18.50.
