**Eastern Star Meet.**—The Eastern Star Lodge enjoyed an evening of cards, dancing, music and various other amusements last evening after an initiation exercise. Refreshments were served.

**Anniversary Meeting.**—Next Friday at the Masonic Lodge rooms will occur the celebration of the anniversary of the Commandery in which all the Masonic bodies and the ladies of the Eastern Star will participate.

**Kills Big Buck.**—Ralph Kruse and Warner Ogren killed a fine buck on the mud flats across the Bay while hunting ducks last Sunday. A few days prior, Mr. Ogren killed a white swan, the first one seen on the Bay in a long time.

**Is Arrested.**—C. D. Shoemaker, one of the men involved in the saloon brawl the other night, was arrested by Marshal Carter and fined \$10. He did not have any cash and is now in jail. Grant was fined \$10 which he paid while Durrant escaped without a fine.

**For Policeman.**—It is understood that Mayor Straw will probably name Levi Smith as the new member of the Marshfield police force if the city council agrees to the increase. Mr. Smith has done special police work at times and his appointment would be very gratifying to his many friends.

**After Daughter.**—John Martin who recently came here from Eastern Oregon has appealed to local parties to help him find his daughter, Nettie, who married a man named J. A. McAdams who later moved to Coos Bay. Whether the McAdams in question is Mr. McAdams of Beaver Hill has not been ascertained.

**Best Cake Baker.**—Mrs. R. M. Sarter has been awarded the cash prize of \$5 offered by the Crescent Baking Powder people for the best cake entered in the contest at Stauff's grocery. It is hard to tell which is the most elated over the honor, Mr. or Mrs. Sarter, as "Bob" has always claimed that cooking is one of the many things in which his "better half" excels.

**May Prosecute.**—P. G. Jordan of Ten Mile who returned yesterday from Eureka with his son, Edward, who had been induced to accompany a man and woman there and spend eighty dollars or so, is planning to prosecute the pair for fraud. The man's name is said to be Humphrey. Whether there is any law to cover the case, Mr. Jordan is now trying to ascertain.

**Has Big Deal.**—Frank B. Waite of Sutherlin, Oregon, who has extensive holdings on Coos Bay and who is well known here is now negotiating for the purchase of a \$600,000 block in the heart of Oakland, Calif. The block has no improvements and is the only unimproved down town tract in case he does not take this property. Mr. Waite will probably take an Oakland suburban tract of 650 acres which is valued at \$500,000.

**Back to Missouri.**—C. H. Walter has received a letter announcing the arrival home of his brother and brother-in-law and their families after a tour of the Pacific northwest, including a visit at the Pendleton roundup, following their stay on the Bay. His brother lives at Adrian, Mo., and his brother-in-law at Hume, Mo. Both have the western fever as a result of their four months' stay here and are planning to dispose of their Missouri property and move west, probably to Coos Bay, next spring.

**Rumor Goodrum Married.**—There is a well defined rumor in circulation today that when George Goodrum returns from his trip he will not come alone. Of course he will bring the new model autos, but it is broadly hinted that he will also bring a model bride. The Times made an effort to verify the rumor, but was not successful. Mr. E. W. Steele, in charge of the Goodrum garage, said that the last letter he received from Mr. Goodrum mentioned the girl proposition, but authorized him to deny any rumor of his marriage—because it had happened not yet. Of course what may happen between the time the letter was written and his return only hopeful fancy can conjecture.
