

Two good ones: At the left, a 3-button coat, two to buttons; soft roll front. At the right, the regular 3-button suit, good for any man, young or old.

YOUNG men don't always want extremes in style; there's a certain quality in dress that marks the gentleman, whatever his age.

Good quality in materials, good fit, and a certain distinction and air of good breeding; these are the important things in clothes for the man who dresses right.

Injured Foot—D. A. Jones is limping these days as a result of stepping on the sharp end of an 8 penny nail which punctured his shoe and was driven through his left foot. Dave says that a toe nail is the only thing that is intended for a foot and hereafter he is going to cut out the eight-penny variety.

Is Inspector—Wm. Warren has been appointed inspector of Coos County Barber shops by the Oregon State Tonsorial Board. He is now visiting the various shops. Only one violation has been found so far and that is in a North Bend shop which is being conducted by the proprietor's wife during his illness. She has no license but the circumstances are extenuating and the offense will probably be excused by the state board.

Cable Breaks—The big lowering cable of the McDonald & Vaughan Daniels Creek camp broke yesterday morning wrecking a couple of cars loaded with logs. No one was hurt in the accident, but the camp will be shut down for a few days while about 1200 feet of broken cable is being replaced. About 8000 feet of cable is used in the lowering of the cars, which generally carry about 12,000 feet of logs.

Son Is Born—F. E. Hague of the Pioneer Hardware Co., received a letter from Jas. Green announcing the birth of an eight and one-half pound son October 29th at 6:20 p. m. in San Francisco. Mrs. Green who was born and raised on the Bay will be remembered as Miss Mary Minot. The new arrival is their first child and their many Coos Bay friends will unite in extending felicitations. After a visit at the Mahaffey home they will go to Portland.

Short Loses—Judge J. S. Coke today decided the suit in equity over the Lakeside hotel property between Hills Short and Harry Wilkins in favor of Wilkins. He held that Short's claim was merely a verbal option. The question of possession of the property was left to be decided later and Judge Coke announced he would hear arguments on a motion to assess the costs to Wilkins.

City Case—The case of Joseph Lapp vs. the City of Marshfield, Inland.

volving an assessment made for North Broadway and contested on the grounds of errors in the survey, was argued before Judge Coke today and will be taken up again Wednesday. FOR GOOD ROADS.

The ranchers of the section east of Myrtle Point have started a good roads campaign of their own and are taking steps to have the road to the cemetery and some distance beyond put in better shape. A petition is being circulated among the farmers and they expect to raise \$100 among themselves. The papers will then be circulated in town, where a number have signified a willingness to subscribe liberally, for the road to the cemetery needs improvement if any ever did. The county court will be asked to put up the same amount as subscribed by the petitioners and it is hoped to get some of the work done on the road this fall.—Myrtle Point Enterprise.

Easy to Get Relief From Indigestion

Your stomach should digest the food you eat, without the aid of any artificial digestives. If it won't do that, then you are continually subject to dyspepsia, indigestion, heartburn, headache and constipation. Instead of taking digestive medicines, take steps to get your stomach and intestines again in a healthy natural condition. Jayne's Tonic Vermifuge will do this for you if you will take it regularly. It is not a digester of foods, but it will restore your stomach and intestines so that they will attend to their natural functions, digesting what you eat and giving strength to the body.

For more than eighty years thousands of men and women who had suffered the pains caused by dyspepsia and indigestion have been praising this Tonic as the only remedy which brought them permanent relief. As the Tonic acts directly upon the stomach and intestines, it is a natural appetizer and strength builder.

Many forms of supposed indigestion are the result of intestinal parasites for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. J. Jayne & Son, Philadelphia, Pa.
