Gives Entertainment.—Rev. G. LeRoy Hall gave a Riley evening in the Myrtle Bank school house on North Coos River one evening this week.

Buy Lots.—W. R. Simpson of Eastside has just purchased two lots in that place through the Stutsman real estate agency and will begin the erection of a home immediately.

Bids for Property.—A. E. Seaman has made a bid of \$5,510 for the John Nasburg property at the corner of Broadway and Alder. It was bequeathed to Russell Nasburg.

Father Dead.—Patrick C. Smith, father of Dr. Andrew C. Smith of Portland, who is well known on Coos Bay, died at his home in Portland this week at the age of 91. He was a pioneer of Oregon.

Wants Game.—J. Miller of Coquille has written Iris Elrod asking for a game between the Coquille football team and the Marshfield Independents here about November 10. It will probably be arranged.

Make Home Here.—The family of J. Q. Jarvis, the new pharmacist at the Red Cross Drug Store, have arrived from Gold Hill, Oregon, to make their home in Marshfield. They will occupy the new residence built by Phil Reichert on South Broadway.

Football Game.—George Bolt received a letter from his son Eric, who is attending Willamette University, wherein he states that Willamette defeated Pacific at Forest Grove last Saturday with a score of 29 to 0. Eric plays right tackle for Willamette.

Raspberries Ripe.—Mrs. J. C. Herrman of Bay Park today brought to The Times office a large number of ripe raspberries, the second crop on her place this season. She placed some of them on exhibit at the Chamber of Commerce.

Initiate Two.—Marshfield Lodge of Elks held an enjoyable meeting last night. A. J. Sherwood of Coquille and Mr. Rickers, a well known Marshfield hardware salesman, were initiated. There were a number of impromptu talks and a little feast concluded the social session.

Divorce Case.—Mrs. Frank J. Hayes arrived here today from Portland to contest the divorce case which Dr. F. J. Hayes, has instituted against her on the ground of desertion. The case will come up for hearing in Judge Coke's court tomorrow. It is understood that it may bring out some salacious testimony.

To Talk Here.—Sanfield McDonald, the Bull Moose orator, has returned from a trip through the Coquille valley. He had a big meeting at Bandon where he and O. P. Coshov divided the evening at the theater there. Tonight he will speak at North Bend and tomorrow night will speak at the Odd Fellows hall here in behalf of Roosevelt.

Material for Road.—Dr. E. Mingus who has just returned from a trip to Florence says the Porter Brothers have a large force of men at work on the Coos Bay-Eugene line along the Siuslaw. About seventy men are now working near Gardiner. Rough weather along the coast has delayed the bringing of a steam shovel from Yaquina to Gardiner for work on the approach to the tunnel and yesterday the Sausalito was in Coos Bay for refuge with a large shipment of cement for the Southern Pacific, the rough bar at Gardiner preventing her going into the Umpqua with the shipment.

John Velbert, Foster, Cal., states: "I have suffered many years with kidney and bladder troubles and although I have paid hundreds of dollars to doctors and have taken all kinds of kidney medicines, I could never get any relief until I tried Foley Kidney Pills and they effected a complete cure." I have never been bothered with my old trouble since." For sale by Lockhart-Parsons Drug Co., the Busy Corner.
