

HAVING clothes made to measure has so great a charm about it for some men that a tape line and a few figures on a paper makes them think they're getting something extra good. They give up their money cheerfully, without really knowing whether the clothes they buy are all wool and well tailored or not.

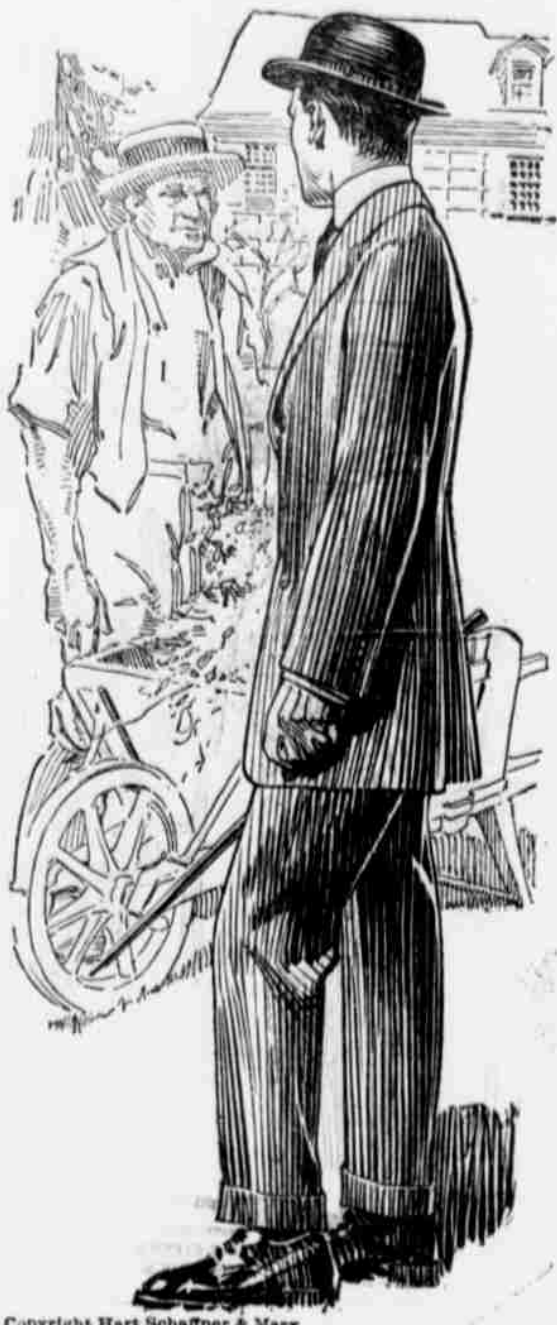

As a matter of fact, you can buy clothes ready-made by

Hart Schaffner & Marx

that are better, in fabrics, tailoring, style, and fit, than any but the finest, highest priced custom tailoring; they compare favorably with even that.

We sell these goods because they're the best made. You can buy a suit here at \$18 and up to \$35; an overcoat at \$16.50 and up to \$40.

Our \$18 and \$20 suits are better than any you'll get made to measure for \$35. If you pay less for made-to-measure clothes we're sorry for you.

Meet Tonight.—The members of the Epworth League and their friends will meet at the Methodist church this evening at 8:30 o'clock.

Divorce Case.—The divorce case of King vs. King will be heard by Judge Coke tonight. King is employed at the Chandler.

Salmon at Ten Mile.—Parties from Ten Mile report a big run of salmon in Ten Mile Creek. About 250 were caught one day and then many got out into the lake.

Masonic Meeting.—There will be a meeting tonight of the Blue Lodge A. F. and A. M. at which the third degree will be conferred. Refreshments will be served. Visiting brethren are cordially invited to attend.

Buy's Ranch.—B. F. Wyatt has purchased the Herman L. Carl ranch of 75 acres at Norway and will move on it soon. He paid \$17,500 for the property, which is said to be one of the best in the Coquille valley.

Auto Accident.—Perkins' auto today noon ran off the elevated plank roadway on South Broadway, near Hall avenue. No one was hurt and the machine only slightly damaged. The driver was the only man in the machine.

Halloween Pranks.—No serious Halloween pranks were reported today. A dummy victim of an automobile was placed on the street and caused a sensational story about a man being run down and killed. Some minor pranks were played around town.

W. C. T. U. Convention.—Mrs. Fannie E. Wheeler has returned home from Portland overland. Mrs. Wheeler, who was a delegate to the National W. C. T. U. convention reports the sessions as being among the best ever held. There were 40 states represented and every meeting was full of interest.

Sends Check.—City Recorder Butler has been notified that Tillotson & Walcott, the Cleveland bond buyers, have put up the certified check of \$380 to guarantee their bid for the \$17,000 worth of special improvement bonds of Marshfield. Now it only remains to furnish them an abstract of the proceedings to show that the bonds are all right.

Won Prizes.—The North Bend and Marshfield gunners have returned from the big shoot at Coquille yesterday. Fred Slagle of Coquille was high gun. W. N. Ekblad, Harry McKeown and Don Gardiner were the only Coos Bay men to get prizes. Frank Laisted tied for a \$10 prize and another prize but lost in shooting off the ties.

Ballot Boxes.—Sheriff Gage came over today to distribute the ballots and ballot boxes for next Tuesday's election. An error in the official ballot, the failure to put A. N. Gould's name on as the Democratic nominee for county surveyor, as well as the Republican nominee for the same place, is explained in a letter from Clerk Watson to the election officials.

Finds Rattlesnake Rattles.—M. O. Warner of Eugene, the piano tuner, while repairing a piano yesterday, discovered part of the tail of a rattlesnake. There were five large rattles in the piece he found, which was in the body of the piano. Whether it was a relic that somebody accidentally dropped into the top of the piano or whether it was part of a snake that had in some unknown way crawled into the piano when it was outside is a question.
