**PITIFUL CASE IS REPORTED**

Woman With Two Babes in Dire Want in South Marshfield Shack.

A pathetic case of a woman with little babies lacking for food, clothing and even warmth was discovered yesterday in South Marshfield. Bad as her lot is, it would have been much worse had not Mrs. A. B. Sargeant, who resides in that vicinity, come to her aid.

The woman's name is Mrs. Timmons. She lives in an improvised shack near the Fairgrounds. One of her children is only three years old and the other is only thirteen months. Her husband was here most of the summer but Mrs. Sargeant says he failed to provide for them. He went to Portland some time ago. Since then, the woman with the children has been compelled to eke out a pitiful existence.

The woman's parents live in Oklahoma and have written her that they would care for her if she returned home. However, they have suffered drawbacks on their ranch the past year from crop failures and can't send her the money to pay her way back.

Mrs. A. B. Sargeant and Chas. Merchant have been trying to help her recently. They state that clothing and food is sadly needed by them and state further that they will gladly cooperate with any one who desires to aid the family.

**BEAUTIFUL HAIR AT SMALL COST**

A Simple Remedy Beautifies the Hair, Cures Dandruff, Stops Falling Hair.

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would use the proper treatment. There is no necessity for gray hair under sixty-five years of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil.

You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden sage has been used for restoring and preserving the color of the hair; and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment.

**HARRIS FINDS COAL DEPOSIT**

Expects to Develop Fine Mine on Sumner Property Immediately.

Capt. W. C. Harris of Sumner has located an excellent three-foot vein of coal on his land at that place. He says that careful tests have proven it equal or superior to the best coal of Coos County. Mr. Harris will take immediate steps to develop a mine on the property and expects to have one of the best mines in the county in operation at an early day.

**NORTH BEND NOTES.**

J. R. Smith returned to San Francisco on the Redondo after a short visit with friends.

Master Herman Anderson, son of Mr. and Mrs. Louie Anderson, who was operated on by Drs. Bartle and Hollister yesterday, is resting very easy.

The Ladies' Aid Society of the Norwegian Lutheran church of North Bend, will meet Thursday, November 7, at the home of Mrs. John Olsen. It is requested that all members and friends be present at this meeting.

Henry Hoeck who has recently been at Eden, Wash., is here looking after his logging in Smith's Basin. He plans to quit the Coos county logging as soon as he finishes at Smith's Basin, which will be soon. He is doing well at Eden.

Mrs. C. E. Burns of North Bend says that the report that she was conducting a barber shop in North Bend for a sick husband is erroneous. She has conducted the shop for five years for herself and says that she is willing to conform with the state license law and that she only asks a square deal.

**Don't Blame Your Over Worked Stomach**

When your stomach will not digest food, the worst thing you can do is to take a lot of digestive medicines. True, they give temporary relief, but your stomach is the sufferer. Loss of appetite, indigestion, dyspepsia and headaches can only be permanently relieved by removing the cause. In many cases, various remedies taken to relieve these conditions result in ruining the stomach and preventing it from digesting food in a natural way.

If you want your stomach to do its own work properly, without resorting to artificial digestives or predigested foods, use Jayne's Tonic Vermifuge. Take small doses regularly, preferably before meals. In a little time your stomach will again do its own work and you will eat heartily, keep well and enjoy living. Jayne's Tonic Vermifuge is not a digester in itself, but it tones up the stomach and intestines, giving you all the nutriment and strength from the food you eat.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist on Jayne's, accept no other. Millions have praised it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
