There are given the totals of precincts, but those who have reported are in most cases the outstanding precincts. It is not likely for there to be any change in the case of Peirce and Meredith, which is not yet decided. George Brown for district attorney has a majority of 762 and will likely have still more. He is leading in Douglas and his supporters claim that he will win the district by about 1500. E. Smith is also a sure winner. He has a majority of 136 so Coos county, which is enough to give him the seat. He has a lead that Stemmler will have in Curry county. It is reported this morning that Stemmler was 15 ahead in Curry. Otherwise the county winners are reported yesterday. Lane and Peirce are very close in Coos county and Lane may carry.

EMPTY HONOR FOR HADLEY

Missouri Governor Offered Second Place on Republican Ticket.

(By Associated Press to The Coos Bay Times.) WASHINGTON, D. C., Nov. 7.—President Taft returned to Washington at 9:40 today. The private car of Governor Hadley of Missouri was attached to the President's train at Harrisburg and the governor came on to Washington. He will confer with Taft today. When asked if he would take second place on the republican ticket, Gov. Hadley said, "I have not been asked."

Gov. Hadley did not see the president on his way to Washington although the cars were placed together. Hadley said that he had come to Washington on private business but did not deny he would talk with Taft about taking second place on the republican ticket to go before the electoral college. Several of the president's callers, among them cabinet officers, expressed the opinion that Hadley had declined and one close to Hadley declared the Missouri Governor would consider it an "empty honor."

MEREDITH AND PEIRCE RACE CLOSEST CONTEST IN COUNTY

LANE CARRIES COOS COUNTY

Has Majority of Ten With Three Precincts Missing Now.

(Special to The Times.) COQUILLE, Nov. 7.—Thirty-three out of 36 precincts in Coos County give Bourne 479, Clark 236, Lane 875, Paget 75, Ramp 644, and Selling 865 for United States Senator.

It is impossible to get any detailed returns here, most of the precinct returns being sealed up so that it will be impossible to get the figures until County Clerk Watson orders the canvass of all the vote, which will not be for a day or two. County Engineer Gould has won out by a good majority.

OSPREY VICTIM BODY FOUND

Remains of Capt. Jacobson Discovered on Beach Last Night.

The body of Capt. H. Jacobson, one of the victims of the wreck of the Osprey, was found last night along the beach by the driver of the Gardner-Coos Bay stage. The body was lying on the beach about six miles above Jarvis landing.

At first, there was some doubt as to whether it was the body of Capt. Jacobson or Capt. Johnson. Last night Coroner Wilson with Capt. Dave Holden started out to bring the body in and found it after much difficulty. They had to search the beach for hours and Mr. Wilson says that if it had not been for Mr. Holden, he would not have been able to find it.

The body was identified through a check for 94 cents from G. W. Riddle to Capt. H. Jacobson. The body was gone and also one shoe. In the pockets were found a gold watch and chain, \$25 in money, a ring and some cuff buttons.

The body was not mutilated but the face and head were badly bruised and discolored. However, it was on the verge of decomposition. H. A. Leach, manager of the Wedderburn Trading Company, today noon identified the body as Capt. Jacobson's. Mr. Leach left for home this afternoon. No inquest will be held. Capt. Jacobson's children have been notified.

The passengers on the incoming stage saw the body but they had passed it before it was discovered. The body was partly in the water and had evidently been washed up onto the sand. A short time before it was noticed that blood was running from a wound in the forehead and this led some on the stage to believe that the man had not been dead a long time. Under most conditions the appearance of the fresh blood would indicate that the man had been dead but a short time but in this case the body had been in the very cold water of the ocean.

At first it was thought by some of those on the stage that it was the body of Capt. Johnson and others thought it was Capt. Jacobson.

THE RESULT.

(By Associated Press.) ROOSEVELT HAS 6 STATES WITH 109 ELECTORAL VOTES. TAFT HAS 3 STATES WITH 12 ELECTORAL VOTES. WILSON HAS 39 STATES WITH 415 ELECTORAL VOTES.

House of Representatives—Democrats, 267; Republican, 99; Progressive 6. Districts unreported, 63. Total members, 435.

The foregoing is the standing at noon of the house of representatives of the 63 (new) congress. The total of 267 gave the Democrats 49 more than the 218 necessary for a majority and 47 more than the Democratic membership of the 62d congress.

Congressional districts unaccounted for are California, 3; Illinois 8, Kansas 2, Massachusetts 2, Michigan 12, Missouri 3, Nebraska 4, Nevada 1, New Hampshire 1, Pennsylvania 9, Utah 1, Washington 5, West Virginia 4, Wisconsin 2, Wyoming 1.

VOTE IN SOUTH.

(By Associated Press.) ATLANTA, Nov. 7.—The solid south rallied to Wilson. His probable popular plurality in Arkansas is 60,000; Georgia, 35,000; Kentucky, 100,000; (plurality over Taft); South Carolina, 50,000; North Carolina, 60,000; Mississippi, 100,000; and Oklahoma, 15,000.

NEW YORK, Nov. 7.—Overturning the big Republican majorities in states never before captured by Democrats in a presidential election, the Wilson-Marshall ticket swept into office yesterday on a wave of victory that carried with it state officers, congressional seats and control of a number of legislatures that will give opportunity to oust Republicans from the United States Senate and add to the Democratic strength in that body.

On returns received from States where results are reasonably certain it appears that Governor Wilson will have almost, if not quite, 409 of the 531 votes in the electoral college, and that Colonel Roosevelt would have nearly 100. President Taft has received but

Latest Returns from Twenty-Two Precincts Give Peirce Thirteen Plurality.

NEED FINAL COUNT TO DECIDE WINNER

Race Is the Closest One in Coos County This Election.

The race between Meredith and Peirce for joint representative in one of the most interesting in the county election, as they are so close it is impossible to say positively which one will win out. The Coos county figures so far give Peirce 13 in the lead, but one or two precincts might change it. As the returns come in, first one and then the other would be found to be ahead, so it is either man's race so far.

It is likely that it will be necessary to count out every precinct before the contest can be decided. In Curry county they are running even closer. Today it was reported that at the last count Peirce was only 5 votes ahead of Meredith in Curry county.

BROWN EASY WINNER.

(By Associated Press.) ROSEBURG, Nov. 7.—George M. Brown this afternoon stated that he would be re-elected district attorney by about 1500 majority. He claims between 300 and 400 majority in Douglas county, nearly a two to one vote in Coos county and in Curry county three to one.
