**PROTECT THE YOUNG GIRLS**

Editor Times:—  
I want to second the spirit of an article recently appearing in your paper regarding the soliciting of subscriptions for newspapers and other concerns by young girls. It seems to me that it can't be wrong to emphasize the harm that this practice opens the way for—a way that might remain closed if the practice were to be stopped. I'm a business man and employ young women at my office and respect them for work they do but I'd no more permit a daughter of mine to make the rounds of the streets soliciting—begging for things that people, if they want them at all, will procure at their need, than I'd let her sing and dance at some questionable place. And you and I both would cry shame on the parent we knew who did. Girls get so that they don't mind going up to strange men—they think the act is justifiable by what they get from it, but older people certainly ought to know better. With boys it is different—boys have to be aggressive and get out and make their own way and have to gain experience by a good many rough and tumble methods that we should spare our daughters. Some people think the danger or impropriety is exaggerated, but—well, I for one, will keep my little girls at home. Some way or other I seem to want ladies instead of hoydens for daughters. I don't suppose this protest will do much good—people don't listen much to what they don't want to hear, but I wanted to say it anyhow.

**AWAY CATARRH, A FILTHY DISEASE**

A Safe Old-Fashioned Remedy Quickly Relieves All Distressing Symptoms.

If you are subject to frequent colds, or if you have any of the distressing symptoms of catarrh, such as stuffed up feeling in the head, profuse discharge from the nose, sores in the nose, phlegm in the throat, causing hawking and spitting, dull pain in the head or ringing in the ears, just anoint the nostrils or rub the throat or chest with a little Ely's Cream Balm, and see how quickly you can get relief.  
In a few minutes you will feel your head clearing, and after using the Balm for a day or so the nasty discharge will be checked, the pain, soreness and fever gone, and you will no longer be offensive to yourself and friends by constantly hawking, spitting and blowing.  
Shake off the grip of catarrh before it impairs your sense of taste, smell and hearing and poisons your whole system. In a short time you can be completely cured of this distressing disease by using Ely's Cream Balm. This healing, antiseptic Balm does not fool you by short, deceptive relief, but completely overcomes the disease. It clears the nose, head and throat of all the rank poison, soothes, heals and strengthens the raw, sore membranes, making you proof against colds and catarrh.  
One application will convince you and a 50 cent bottle will generally cure the worst case of catarrh. It is guaranteed. Get it from your druggist today.

**A Wonderful Tonic • That Aids Digestion**

Thousands are unable to digest certain kinds of food. In most cases it is not the fault of the food, nor the stomach. It is probable that the stomach has been abused. Many resort to pre-digested foods and various kinds of medicines to get relief from dyspepsia, indigestion and heartburn, but without permanent benefit.

If your stomach was in perfect condition, you would not need medicine to digest the foods you eat. Jayne's Tonic Vermifuge is a stomach regulator. It gets the stomach in such a condition that it will digest food without other assistance. It overcomes the acidity and stimulates the coating of the stomach and intestines so that they will properly absorb and assimilate the nutriment from the food eaten. Sufferers from dyspepsia and indigestion will find permanent relief in a short time after beginning the use of the tonic. For children, the addition of a little sugar will make it most palatable.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Millions have praised it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
