**Masonic Meeting**—There will be a conclave of Pacific Commandery tonight at the Masonic hall. The red cross degree will be conferred and refreshments will be served.

**Horses for Road**—Willets and Burr, contractors of the Smith-Powers logging road beyond Myrtle Point, have received sixty horses from Roseburg to be used in the grading.

**Auto Damaged**—A new Cadillac auto was badly damaged while being unloaded from the Alliance and may have to be sent back to the factory. It was bought by A. H. Powers for his family and they were sadly disappointed.

**Heavy Rainfall**—B. B. Ostlund, local U. S. weather observer, reports that the total rainfall during the present rainy season, from September 1, to date is 13.02 inches against 7.12 inches for the same period last year, an increase of nearly 6 inches.

**Reception**—The members and friends of the Methodist Episcopal church will tender a reception to Rev. and Mrs. H. I. Rutledge this evening; the former having been re-appointed to the local Methodist church for the fifth time. All churches and the general public are cordially invited to attend.

**Willamette Wins**—Geo. N. Bolt has received word from his son, Eric, who is a member of the Willamette University football team that Willamette won from the Vancouver soldiers Tuesday by a score of 71 to 0. He adds "we cleaned the soldiers, Wilson cleaned Roosevelt, I have just cleaned the goose and now I am going to clean my shoes."

**Carrier Sick**—Edward Knox, The Times carrier boy at Bunker Hill, has been ill for the last few days. The substitute carrier on that route did not have time to learn all the places and consequently a few of the subscribers there have missed their papers. However, Edward will soon be back on the job to give them good service again.

**Married at Bandon**—The Bandon Recorder says: "Thomas Lewis and Miss Gertrude V. Layfield were united in marriage at the home of the groom's sister, Mrs. W. H. Dibblee Friday evening, Nov. 1. Rev. J. J. Mickey officiated. The happy couple were the recipients of many beautiful and useful presents. The wedding cake was served and the guests then departed for their homes."

**Fears for Brother**—Marshal Carter has received a letter from Fred Peterson of Spokane asking him if a man named Emil Nelson had died or was killed in Coos county recently. He heard that a man named Emil

Nelson had died and thought it might be his half brother, of the same name, who was on Coos Bay when he heard from him a year or so ago. Marshal Carter could not recall the death of any one by the name of Emil Nelson.

**For Game Warden**—H. A. Wells and other are circulating petitions to secure the appointment of K. E. Marcey as deputy game warden to fill the place of Deputy Thomas, who was appointed to succeed Cal Wright. Mr. Marcey is a well known Marshfield man and is regarded as an excellent man for the place.

**Trouble at North Slough**—Parties from North Slough report that a man named Adams caused considerable commotion there last night. It was claimed that he tried to take his little daughter away from his wife, from whom he is separated and a general mix-up followed. The child ran away and hid so that his attempt to kidnap her failed.

**Increase Charity Fund**—The fund started by the Woodmen of the World to care for Mrs. Timmons and her children and to send them to her home in Oklahoma has been materially increased. The general subscription was raised by \$10 from the lodge and \$15 from the Eagles to about \$135. In addition to this, many contributions of clothing and other articles were received. Mrs. Timmons and her children are being cared for by Mrs. Sargeant at her home.

**Case Appealed**—Mrs. Kate Hampton has appealed the case in which George W. King of the Enterprise Meat Market was awarded a verdict of \$12.60 against her in Justice Penock's court. King sued for a meat bill and Mrs. Hampton, who was formerly Mrs. John Josephson, claimed that her sons paid for the meat when they got it. The ground for the appeal is that Justice Penock entered the jury room while the jury was deliberating. He was called by the jury to give some advice as to the necessity of a unanimous verdict.

**Trouble With Husband**—Today Mrs. Wm. E. Clements of Bay City appealed to Justice Penock for aid. She lives at Bay City and told the justice that her husband was so jealous that she couldn't live with him any longer. He had locked up her clothes so that she could not return to her parents. Constable Cox was sent with her to get her effects. Her parents are named Eaton and live at Eastside. Four or five years ago Clements had considerable trouble with his first wife in South Marshfield. They were divorced and a couple of years ago he married the Leaton girl.
