DR. WINKLER returned here today to make his home, coming via the Elzabeth to Bandon. He made the trip a week ago from Portland to San Francisco on the Geo. W. Elder. She encountered a severe storm and were four and a half days at sea and ran out of fuel and had to be towed into San Francisco.

H. H. AMES, secretary of the Sperry Flour Co. of San Francisco, is in the city on a business visit with Mr. Fletcher, the company's Coos Bay representative. Mr. Ames says that business conditions are good on the outside and he looks for an advance in the price of flour before the first of the year, because of a strong wheat market.

Steals Chickens.—Some man, evidently of the profession of "chicken thieves," has been causing a number of the good people of North Bend to mourn the loss of several of their barnyard inmates. A few nights ago, Mr. Bergman, who lives on Union avenue, had 12 of his fowls stolen and one killed, and Victor Anderson of Sherman avenue missed nine chickens one night this week. Who the guilty party is and where he is storing his booty have not yet been determined, but a man of questionable appearance has been noticed prowling around the chicken houses recently in that vicinity.

## Dayton Bicycles

### Christmas Bicycles

No doubt many people will buy a bicycle for their son or daughter at Christmas time.

We will have

### Dayton Bicycles

in every size for the holidays.

We have part of a carload coming from Ohio.

### We Have Sold Seventy-Four Dayton Bicycles This Year

There are several reasons.

We are selling bicycles built for this wet climate. Ask any Dayton rider if they are satisfied with their purchase.

Among 74 riders you may know one.

Ask the children how we pump up their tires, how we adjust their wheels free of charge.

We are not selling bicycles cheaper than anyone else.

(If we thought we were, we'd raise our prices.)

But we are giving Marshfield Cyclery service to every buyer.

Why? Because we like to work for nothing? *Not Much!*

But because we believe in advertising and we know that satisfied customers are the best advertisement we can have.

Ask those who have bought a bicycle of Marshfield Cyclery whether they are satisfied, whether they got their money's worth.

We will have Dayton Bicycles, boys' or girls' 8-year-old and every size from those to the largest.

### IF YOU ARE A DRINKING MAN

You had better stop at once or you'll lose your job. Every line of business is closing its doors to "drinking" men. It may be your turn next. By the aid of ORRINE thousands of men have been restored to lives of sobriety and industry.

We are so sure that ORRINE will benefit you that we say to you that if after a trial you fail to get any benefit from its use, your money will be refunded.

When you stop "drinking," think of the money you'll have; besides, sober men are worth more to their employers and get higher wages.

Costs only \$1.00 a box. We have an interesting booklet about ORRINE that we are giving away free on request. Call at our store and talk it over. Owl Prescription Drug Store, Front street.
