NICOLS STARTS DIVORCE SUIT

Marshfield Traveling Man Files Petition in Clatsop County.

Tom Nicols, a Marshfield traveling man, has instituted suit again for divorce from Mrs. Nicols, the action this time being instituted through a Portland lawyer and is filed in Clatsop county. The papers in the case were served on Mrs. Nicols this week.

Sometime ago Nicols instituted suit for divorce in Coos county and the trial resulted in the introduction of some rather salacious evidence. Letters from a Coquille valley woman to Mr. Nicols and evidence relative to his conduct with the Coquille woman was introduced by Mrs. Nicols, who contested the case. As a result, Nicols was refused a divorce by Judge Coke.

Nicols and his wife have been living apart for some time.

Mrs. Nicols stated yesterday that she expected to contest the suit because Nicols' allegations of cruel and inhuman treatment and incompatibility were not true.

Dayton Bicycles

Christmas Bicycles

No doubt many people will buy a bicycle for their son or daughter at Christmas time.

We will have

Dayton Bicycles

in every size for the holidays. We have part of a carload coming from Ohio.

We Have Sold Seventy-Four Dayton Bicycles This Year

There are several reasons.

We are selling bicycles built for this wet climate. Ask any Dayton rider if they are satisfied with their purchase.

Among 74 riders you may know one.

Ask the children how we pump up their tires, how we adjust their wheels free of charge.

We are not selling bicycles cheaper than anyone else.

(If we thought we were, we'd raise our prices.)

But we are giving Marshfield Cyclery service to every buyer.

Why? Because we like to work for nothing? Not Much!

But because we believe in advertising and we know that satisfied customers are the best advertisement we can have.

Ask those who have bought a bicycle of Marshfield Cyclery whether they are satisfied, whether they got their money's worth.

We will have Dayton Bicycles, boys' or girls' 8-year-old and every size from those to the largest.
