NORTH BEND IS TO ELECT

On Dec. 10 Will Choose Mayor, Councilmen and Other Officers.

The city election at North Bend is to be held Dec. 10. There is to be on this date elected a mayor, city recorder, city treasurer and three councilmen. There has not been much talk about candidates yet, but the campaign is just now beginning. It is expected that the Socialists will put a full ticket in the field on account of the strength they showed at the last city election when the Socialist vote carried the city.

L. J. Simpson will be a candidate for mayor again, it is understood, and will probably not have any opposition excepting perhaps a Socialist candidate. A. H. Derbyshire will be a candidate for city recorder again and so far there has no one come out against him. There is not much talk about candidates for the other offices, but it is said there will be some out for the office in a few days.

PLAN TO PUT YUKON ON RUN

W. S. Scammel Expected Here About New Boat for San Francisco.

W. S. Scammel, manager of the steamers Washington and Homer, is expected here soon from San Francisco to confer with Coos Bay shippers relative to putting another steamer on the Coos-Bay San Francisco run.

The accident to the Washington leaves his line in bad shape for handling the business out of here for the present and is also said to handicap some of the local shippers considerably. No word has been received from the Washington which was sent to Portland to go on dry dock.

The Homer, which sailed yesterday for San Francisco was able to take out only one-half of the freight that was ready for shipment.

It is rumored that Mr. Scammel has been negotiating with the owners of the Yukon (formerly the M. F. Plant) and may put her on the Coos Bay-San Francisco run again if he can be assured of business that will warrant it.

The Plant would handle both passengers and freight. After being sold by the Goodall-Perkins Co. she was practically rebuilt and was put on the Alaska run. She ran in here for years.

BREAKS HER ARM.

Miss Hazel Powers, the daughter of Mr. and Mrs. A. H. Powers, met with an accident Thursday, which resulted in the fracture of her arm. She was cranking the automobile preparatory to starting. The crank kicked back and struck the young lady on the arm, causing a fracture about three inches above the wrist. She will be laid up for a time and probably will not be able to attend school for several weeks. Miss Powers had started the machine many times before without accident.
